The Fulbright U.S. Student Program offers research, study, and teaching opportunities in over 140 countries to recent graduates and graduate students. The program facilitates cultural exchange through direct interaction on an individual basis in the classroom, field, home, and in routine tasks, allowing the grantee to gain an appreciation of others' viewpoints and beliefs, the way they do things, and the way they think. The award is highly competitive and requires thorough preparation.

This Zoom session on April 17, 11:00 AM-12:00 PM will provide interested undergraduate students with all the necessary information about the program and the application process. Registration is required. To register, please click on the link below.
