Workshop Announcement:

Human Osteology

TCOLE and ABMDI Credit Available

The *Human Osteology Workshop* is suitable for students or professionals working in medicolegal fields, rescue services, field archaeology, museums, or individuals that have an interest in learning more about human skeletal anatomy. During the five-day hands-on workshop, participants will gain a working knowledge of normal human skeletal anatomy. Participants will examine human skeletons from the Texas State Donated Collection and discuss both normal human skeletal anatomy and common variations.

Tuition for the course is \$700

Dates: August 13-17, 2018

Times: 9:00 a.m. – 5:00 p.m. daily

Location: Texas State University

Grady Early Building
11921 Old Ranch Road 12
San Marcos, TX 78666

Instructor: Dr. Daniel Wescott, Director of FACTS

Please direct questions to:

Sophia Mavroudas at (512) 245-1900 or FACTS@txstate.edu
