The Forensic Anthropology Center at Texas State (FACTS) is pleased to offer an unpaid, non-credit summer internship for students. Interns will be expected to reside in the San Marcos area for the duration of the internship. The internship will run for a minimum of 24 days starting on June 1, 2022. In lieu of payment, interns will be given complimentary enrollment in all of the workshops offered in the month of June. Please see the FACTS website for a complete list of courses. The total value of these workshops is over $2,200.00.

**FACTS Intern Responsibilities**

Primary responsibilities will be participating in FACTS workshops. Interns will also assist with daily operations of FACTS, processing skeletal remains, and assisting with curation of skeletal remains into the Texas State University Donated Skeletal Collection. Other tasks include, but are not limited to, the donation program, data management, and daily tasks assigned by the supervisor. Advanced Ugrad or Grad students may apply to intern with Operation Identification (OpID), which is work to identify the remains of undocumented border crossers that are found in Texas. It is preferred OpID interns spend the entire month of June and may require passing of competency exams to participate fully.

**Deadline for Submission**

Applications must be received by March 31, 2022 at 11:59pm to be considered for a summer internship position. Any submissions received after 11:59pm will not be considered.

**Internship Eligibility**

- Must be an enrolled undergraduate or graduate student in Anthropology or related field
- Must have successfully completed an osteology course or equivalent anatomy training
- Must be available throughout the entire required internship interval (June 1-24, 2022)
- Must have a means of transportation while in San Marcos

**Application Requirements**

Interested students must complete the FACTS Internship Application Form, submit a cover letter, and submit a current CV. The cover letter should address how the applicant’s background and interests fit the program and what they hope to accomplish as an intern. The cover letter should also include a statement on why diversity is important to forensic anthropology and how they will implement what they learn at FACTS into future career plans. All applicants interested in OpID should indicate that choice in the cover letter.

A letter of recommendation from the applicant’s faculty sponsor must be submitted in order for an application to be considered complete and subsequently reviewed. The recommendation letter can be mailed to Sophia Mavroudas, Coordinator-FACTS, 601 University Drive, San Marcos, TX 78666 or a signed pdf of the letter can be emailed to Sophia Mavroudas at sm78@txstate.edu. **The faculty sponsor should be a professor who has taught the applicant or is familiar with the applicant's academic performance.** The sponsor should also be able to evaluate the participant’s ability to successfully participate in the internship.
