SUBJ: ASG Legislation- S.B.F. 2012-2013/1 "2012-2013 ASG Budget"

I am in receipt of legislation for the ASG Senate to approve the 2012-2013 ASG Budget as recommended by the ASG Legislative Finance Committee. I have reviewed the budget and it has been endorsed by the advisor, Ms. Kathryn Weiser and the Associate Vice President, Dr. Margarita Arellano as well. I approve of the budget for the 2012-2013 year with the understanding that a report on the state of the budget will be given at each ASG meeting and that the President has the power to reallocate remaining funds from each category and line item should the reason for the allocation be completed or otherwise invalidated. These changes must be reported to the committee at its next regularly scheduled meeting.

If you have questions, please contact me.
