Dear Students,

We are all feeling the impacts of the pandemic, and some of you might be feeling it more than others – we understand. The Honors College has been working diligently to figure out solutions for our students and we want to offer and alternative to those of you whose study abroad program was canceled or your cross-cultural experience plans were affected by this.

If you need an alternative idea to satisfy the cross-cultural experience component, please submit the pre-CCE form available here: https://www.txstate.edu/honors/opportunities/Cross-Cultural-Experience/Pre-CCE-Approval.html

I will follow up with you with some essay prompts once you’ve submitted the form.

Keep in mind there are many services still available to students such as the Dean of Students (Attorney, Student Emergency Services, Counseling Center). Please let us know if there is anything we can do to make this time less stressful.

We (you!) can do it,
