STOP: Before you apply for Optional Practical Training, you must read this form in its entirety and sign in the box at the bottom of OPT Statement of Responsibility and Legal Advice and ISSS Advising Statement of Understanding.

F-1 students may apply to Department of Homeland Security (DHS) for authorization for 12 months of temporary employment for Optional Practical Training (OPT). The employment should be directly related to your major area of study. To be eligible for OPT, you must be in active F-1 status at the time of application and have completed one academic year as a full-time student (not necessarily in F-1 status). OPT can be authorized for the following:

- **Pre-Completion:** Before completion of studies in one of the following:
 1. Part-time (20 hours a week or less) during the fall/ spring semesters;
 2. Full/ part-time during summer vacation if currently enrolled and intend to register for the following semester.
 - **Post-Completion:** After completion of studies
- IMPORTANT!** If choosing this option, your OPT application must be received by USCIS **no later than** 60 days after your program completion date. However, it is strongly recommended to apply before you complete your studies. Also, your 12 months of OPT must be completed within 14 months of the date of completion of your studies.

Preconditions	Student must have been lawfully enrolled on a full-time basis at a DHS-approved school for one full academic year before being eligible for OPT. Students in English language training programs are not eligible for OPT.
Location	Students may engage in OPT for any employer for the duration of OPT authorization, as long as the employment qualifies under OPT standards.
Duration	Standard OPT is available for a cumulative maximum of 12 months per educational level. A one-time extension of 24 months (for a total of 36 months) is available to certain STEM degree recipients who are employed by an employer registered with E-Verify.
Hours per week	20 hours/week limit for pre-completion OPT done while school is in session and student still has coursework to complete. Full-time employment can be requested for pre-completion OPT done during official school breaks, and for students who have completed all requirements for their degree except for thesis or dissertation. For post-completion OPT, according to SEVP guidance a student must be adequately employed to avoid limits on unemployment
Field of work	Must be directly related to the student's course of study.
Offer of employment	No offer of employment is required to apply for standard OPT, but the student is expected to work during the OPT EAD validity period. Students on post-completion OPT are limited to a maximum of 90 days of unemployment. To apply for a 24-month STEM extension, student must have an offer of employment from an employer registered with E-Verify.
Effect on other work	Prior use of full-time Curricular Practical Training for one year or more eliminates eligibility for OPT.
Approval process	DSO recommends OPT in SEVIS. Student files I-765 application with required documents to USCIS for EAD. Work can begin only after receiving EAD issued by USCIS, and on or after the start date on the EAD.
Miscellaneous	If doing pre-completion OPT, must maintain a full course of study during the period of employment (unless done during school breaks). Degree candidates that have completed all coursework must continue to make normal progress towards completing the thesis or dissertation required for their degree.

OPT Statement of Responsibility

Acknowledge the following statements by placing a mark (x) in the box provided.

- VERY IMPORTANT:** While on OPT, you are required to report ALL changes to your passport name, local address, phone number, and status of employment including changes to employer name or address information to the SEVP Portal. The use of this portal is mandatory and routinely reviewed by SEVIS. Once your OPT is approved you will receive an activation link from SEVP and you must activate your SEVP Portal account within 14 days.
- During OPT, F-1 status is dependent upon employment and you cannot exceed an aggregate of more than 90 days of unemployment. OPT employment must be at least 20 hours a week and can be paid employment, volunteer work, self-employment, and un/paid internship. Multiple employment is allowed.
- Employment can begin after receiving the Employment Authorization Document (EAD) card and only on or after the start date on the EAD.
- If you do not complete all coursework by the I-20 end date, you may not work more than 20 hours a week (part-time), until all coursework has been completed. This does not apply to thesis or dissertation only students.
- If you transfer to another school or begin a new program of study, your authorization to engage in OPT employment is automatically terminated upon the transfer date even if there is time remaining on your OPT.
- Travel outside the US is permitted while your OPT application is pending and approved. When pending, you must have a valid passport, valid F-1 visa, I-20 with a travel signature. Once approved you must also bring your EAD card. *There is always a risk when traveling outside the US so to better your chances of being allowed to reenter you should have a letter from your employer indicating that you are returning for employment.
- You are allowed 12 months of OPT per degree level. You may be eligible for another OPT at a higher educational level.
- STEM (Science, Technology, Engineering, and Math) degree students are eligible for a 24-month extension: Review the DHS STEM Designated Degree Program List. You may apply for STEM OPT 90 days before your current OPT expires.
- At the completion of your OPT you are granted a 60-day grace period. During this time, you are permitted to legally remain in the US but must complete one of the following: (1) depart the US; (2) be admitted to a new program at Texas State; (3) change visa status; or (4) transfer to a new institution before the grace period expires.
- Please do not contact ISSS with inquiries about the status of your OPT application. USCIS is responsible for adjudicating and processing your application. If using the ISSS address, you will be contacted when your EAD card arrives.
- If using the ISSS mailing address, I agree to allow ISSS to open USCIS mail on my behalf. (Student will receive all original documents and ISSS will make copies of documents for student's folder. ISSS uses USCIS documents to update student's SEVIS record and assist with notifications for *request for evidence* and *rejection*).
- Please write your requested OPT start and end dates. The EAD card is issued for a maximum of 12 months. If you are unsure, schedule an appointment with a DSO to discuss start and end dates. Call 512-245-7966.
