Early Career Life Scientist Award

For an outstanding scientist who has served as an independent investigator for no more than seven years as of March 31, 2007. Nomination packets must include: CV, brief research statement, nominating letter, and no more than three letters of support (at least one of which must come from outside the nominee’s institution).

Awards: The winner is presented a plaque and will speak at the Annual Meeting and receive a monetary prize.

Deadline: March 31

Nominating packages should be sent by March 31 to the ASCB Office.
ATTN: ASCB Early Career Life Scientist Selection Committee.
