**IMPORTANT REGISTRATION INFORMATION FOR FALL 2019**

Registration for Summer and Fall 2019 begins April 1. As members of the Honors College, you are invited to Meet the Professor, an event we host each fall and spring semester. Meet the Professor is NEXT WEEK, **Wednesday, March 13 from 4:30pm-6:00pm in the LBJSC Ballroom.**

*Why should you attend?* Well, we have plenty of reasons. First, **it is absolutely the best opportunity for you to get into honors courses.** We have this course lottery process (outlined in the MTP page linked earlier) that allows students to request courses of their choice at the event. The event is a browse-style, come-and-go event. At the event, there will be opportunities to engage with the professors teaching the courses and maybe even some students who took the course previously. You can ask them questions about their course content and experiences.

Attendees can enter into a special drawing that takes place throughout the event. Students who are drawn will automatically earn a seat in the class of their choice ([must be present](#) at the time of
drawing to win, students on honors probation are not eligible to win).

While you’re waiting for the drawing, you can participate in a bingo-like activity that encourages you to meet new people, learn more about some of our programs and services, and engage with each other. If you complete this activity, you will be entered into a different drawing to earn a seat in the class of your choice (do not have to be present to win, students on honors probation are not eligible to win).

We will have some food available around 5:00pm. Staff members will be available to answer other questions you may have.

**Interested in getting your name into the course lottery? Attend the event!** It just takes a couple minutes to enter into the lottery once you arrive. Do you have class during the **entirety** of the event (4:30pm-6:00pm)? You can request an exception by emailing honors@txstate.edu with a copy of your spring 2019 course schedule that shows the academic course conflict, your student ID, and the class you’d like to enter. The **complete** request must be received before 4:30pm on Wednesday, March 13 to be considered. We do not make exceptions for work, extracurricular, or other commitments. We only accept academic course conflicts that are shown on student class schedules and conflict with the ENTIRETY of the event time.

Until next time,

---

Join us for an exciting panel about post graduation service opportunities from representatives from City Year, Literacy First, OneStar Foundation, Peace Corps, and Teach For America. You will hear more about each of their organizations and how you can begin your path towards a career of impact. *Pizza provided on a first come, first serve basis.
In her research on popular culture of the Vietnamese diaspora, Nhi Lieu explores how people displaced by war reconstruct cultural identity in the aftermath of migration. Displaced from Viet Nam by war and politics and arriving as refugees to communities in Texas and California, Vietnamese artists and entrepreneurs built forms of popular culture that affirmed connections to a Viet Nam that was and to a cosmopolitan culture that would encompass Vietnamese subjects as equal participants. In *The American Dream in Vietnamese*, she claims that nowhere are these fantasies played out more vividly than in the Vietnamese American entertainment industry.

**WEDNESDAY, MARCH 6TH**

**11 A.M.**

**BRAZOS HALL**

**Dr. Lieu** received her B.A. in History and Women’s Studies at UC San Diego and Ph.D. in American Culture at the University of Michigan. She is currently an Independent Scholar working on a memoir about how the body serves as an archive for four generations of women in her family.
