

# Snow Paint

Do you want to build a snowman? In this activity students will get the opportunity to use the resources provided to create a winter themed picture of an outdoor area with snow.

**Duration of Activity:** 15 Minutes

## Required Material:

Shaving Cream	Paint Brush
White Liquid Glue	Construction Paper
Iridescent Glitter	Peppermint Extract
Scissors	Buttons
Bowl	Yarn
Googly Eyes	

## Set Up:

Pour two cups of glue into a bowl and place it in the refrigerator. Let cool overnight or a minimum of 6 hours.

## Directions:

1. Spray equal parts shaving cream, two cups, into a bowl.
2. Pour in the two cups of chilled, white liquid glue to the bowl of shaving cream and mix thoroughly.
