In this section, discuss the research problems or questions you hope to explore. Include a discussion of background literature, methodology, and your provisional hypotheses if relevant.

Official Honors College deadlines for the initial draft, title and abstract, and final draft are outlined in the syllabus for HON 4390B. In this section, you should outline project specific deadlines for other elements of your thesis, such as completion or purchase of materials, analysis of results, draft deadlines, etc.

INSTITUTIONAL REVIEW BOARD :

If your project requires IRB approval, please list the date when you submitted (or intend to submit) your application.

PROJECT EXPECTATIONS:

Please list any other relevant expectations for this project, such as recommended length, citation style, a proposed meeting schedule, a rubric for assessment, expectations for quality, etc.

SECOND READER:

The role of second reader varies from project to project. If you have a second reader, please describe their role.
