D. Within ten (10) days after final completion of the Work and acceptance of the Work by Owner or as soon thereafter as possible, Contractor will submit a final invoice ("Final Invoice") setting forth all amounts due and remaining unpaid to Contractor. Upon approval of the Final Invoice by Owner, Owner will pay ("Final Payment") to Contractor the amount due under the Final Invoice.

E. Notwithstanding any provision of this Agreement to the contrary, Owner will not be obligated to make any payment (whether a Progress Payment or Final Payment) to Contractor if Contractor is in default under this Agreement.
F. The cumulative amount of all Progress Payments and the Final Payment (defined below) will not exceed the Contract Amount.

G. No payment made by Owner will (a) be construed to be final acceptance or approval of that part of the Work to which the payment relates, or (b) relieve Contractor of any of its duties or obligations under this Agreement.

Upon termination pursuant to this paragraph, Contractor receives payment for the services satisfactorily performed from the time of the last payment date to the termination date, provided Contractor shall have delivered to Owner a final report describing the work completed to the date of termination. Owner shall not reimburse Contractor for any services performed or expenses incurred after the date of termination notice.

C. Termination under Sections A or B above will not relieve Contractor from liability for any default or breach under this Agreement or any other act or omission of Contractor.

D. If Contractor fails to cure any default within fifteen (15) days after receiving written notice of the default, Owner will be entitled (but will not be obligated) to cure the default and will have the right to offset against all amounts due to Contractor under this Agreement, any and all reasonable expenses incurred in connection with Owner’s curative actions.

12. **Assignment and Subcontracting**
Contractor's interest in this Agreement (including Contractor’s duties and obligations under this Agreement, and the fees due to Contractor under this Agreement) may not be subcontracted, assigned, delegated, or otherwise transferred to a third party, in whole or in part, and any attempt to do so will (a) not be binding on Owner; and (b) be a breach of this Agreement for which Contractor will be subject to all remedial actions provided by Texas law, including Chapter 2161, Texas Government Code, and 34 Texas Administrative Code, §§20.101 – 20.108. The benefits and burdens of this Agreement are assignable by Owner.

13. **Child Support Certification**

14. **Eligibility Certifications**

Pursuant to Sections 2155.004 and 2155.006, Texas Government Code, Contractor certifies that the individual or business entity named in this Agreement is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment withheld if these certifications are inaccurate.

15. **Tax Certification**

If Contractor is a taxable entity as defined by Chapter 171, Texas Tax Code (“Chapter 171”), then Contractor certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Contractor is exempt from the payment of those taxes, or that Contractor is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

16. **Payment of Debt or Delinquency to the State**

Pursuant to Sections 2107.008 and 2252.903, Texas Government Code, Contractor agrees that any payments owing to Contractor under this Agreement may be applied directly toward any debt or delinquency that Contractor owes the State of Texas or any agency of the State of Texas regardless of when it arises, until the debt or delinquency is paid in full.

17. **Products and Materials Produced in Texas**

Contractor covenants and agrees that as required by Section 2155.4441, Texas Government Code, in performing the Work and its other duties and obligations under this Agreement, Contractor will purchase products and materials produced in Texas when the products and materials are available at a price and delivery time comparable to products and materials produced outside of Texas.

18. **Loss of Funding**

Owner’s performance of its duties and obligations under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature and/or allocation of funds by the Board of Regents of TSUS. If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then Owner will issue written notice to Contractor and Owner may terminate this Agreement without further duty or obligation hereunder.
Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of Owner.

19. **Entire Agreement; Modifications**

This Agreement (including Exhibit A) constitutes the sole agreement of the parties and supersedes any other oral or written understanding or agreement. This Agreement may not be amended or otherwise altered except upon the written agreement of both parties.

20. **Force Majeure**

Except as otherwise provided, neither Contractor nor Owner, shall be liable to the other for any delay in, or failure of performance, of a requirement contained in this agreement caused by Force Majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. “Force Majeure” is defined as acts of God, war, strike, fires, explosions, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing with proof of receipt within three business days of the existence of such Force Majeure or otherwise waive this right as a defense.

21. **Governing Law**

This Agreement shall be construed under the laws of the State of Texas, and venue for any action brought hereunder shall be Travis County, Texas.

22. **Waivers**

No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.

23. **Public Information**

A. Owner strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act, Chapter 552, and Texas Government Code.

B. Contractor is required to make any information created or exchanged with the state pursuant to this contract, and not otherwise exempted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state.

C. Information provided to Contractor by the Owner, including information from representatives of TSUS or any of its components, and information provided to Contractor by members of the public or any other third party shall belong to the Owner.

D. Information created or otherwise produced by Contractor shall remain the exclusive property of Contractor. Contractor acknowledges any final report or papers will be provided in accordance with this Agreement, and that any information contained in any report or papers,
which Contractor believes is confidential under Texas law will be clearly designated as such by Contractor.

E. If the Owner receives a request for public information for any portion of any final report or papers that have been designated by Contractor to be confidential, the Owner will provide notice to Contractor and Contractor may submit a brief to the Office of the Attorney General, as provided by Chapter 552, Tex. Govt. Code.

24. Safeguarding of Owner Records

A. Contractor represents, warrants, and agrees that it will: (1) hold Owner Records in strict confidence and will not use or disclose Owner records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by Owner in writing; (2) safeguard Owner records according to reasonable administrative, physical and technical standards that are no less rigorous than the standards by which Contractor protects its own confidential information; (3) continually monitor its operations and take any action necessary to assure that University records are safeguarded and the confidentiality of Owner records is maintained in accordance with all applicable federal, state and local, laws, regulations, and ordinances, including FERPA and the Gramm-Leach Bliley Act, and the terms of this Agreement; and (4) comply with the Owner’s rules, policies, and procedures regarding access to and use of Owner’s computer systems. At the request of Owner, Contractor agrees to provide Owner with a written summary of the procedures Contractor uses to safeguard and maintain the confidentiality of Owner records.

B. If an impermissible use or disclosure of any Owner records occurs, Contractor will provide written notice to Owner within one (1) business day after Contractor’s discovery of that use or disclosure. Contractor will promptly provide Owner with all information requested by Owner regarding the impermissible use or disclosure.

C. If Contractor discloses any Owner records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor by this Section.

D. Except when defined as part of the Work, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor as an independent contractor of Owner in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of Owner.

26. **Severability**

In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

27. **Right to Audit**

Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the State Auditor’s Office, or any successor agency (collectively, “Auditor”), to conduct an audit or investigation in connection with those funds pursuant to Section 51.9335(c), Texas Education Code. Contractor agrees to cooperate with the Auditor in the conduct of the audit or investigation, including providing all records requested. Contractor will include this provision in all contracts with subcontractors.

28. **Alternative Dispute Resolution**

The parties shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code, as further described herein, by Owner and Contractor to attempt to resolve any claim for breach of contract made by the Contractor:

A. A Contractor’s claim for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process:

1. Contractor shall submit written notice, as required by subchapter B, to the Owner’s representative named in section 22 C.

2. This notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked.

3. A copy of the notice shall also be given to all other representatives of Owner and Contractor otherwise entitled to notice under the parties’ contract.
4. Compliance by Contractor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Texas Government Code.

B. The contested case process provided in Chapter 2260, subchapter C, of the Texas Government Code is Contractor’s sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by Owner if the parties are unable to resolve their disputes under subparagraph (A) of this paragraph.

C. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by Owner nor any other conduct of any representative of Owner relating to the contract shall be considered a waiver of sovereign immunity to suit.

D. The submission, processing and resolution of Contractor’s claim is governed by the published rules adopted by the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended.

E. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by Contractor, in whole or in part.

F. The designated individual responsible on behalf of Owner for examining any claim or counterclaim and conducting any negotiations related thereto as required under §2260.052 of the Texas Government Code shall be Owner’s representative named in section 22 C.

29. Limitations

THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF UNIVERSITY (A STATE AGENCY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE A PART OF THIS AGREEMENT, INCLUDING THOSE TERMS AND CONDITIONS RELATING TO LIENS ON OWNER’S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS’ FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE “LIMITATIONS”), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON OWNER EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.

30. Ethics

Contractor represents and warrants that the Contractor has no actual or potential conflicts of interest in providing services to the Owner under this Contract and that Contractor’s provision of services under this Contract would not reasonably create an appearance of impropriety.
31. **Debarment**

Contractor confirms that neither Contractor nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States (“U.S.”) federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs (https://www.sam.gov/portal/public/SAM) issued by the U.S. General Services Administration. “Principals” means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Contractor will provide immediate written notification to University if, at any time prior to award, Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when Owner executes this Agreement. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to Owner, Owner may terminate this Agreement for default by Contractor.

32. **Group Purchase Authority**

Texas law authorizes institutions of higher education (defined by Section 61.003, Education Code) to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this agreement.

33. **Ethics Provision**

[[ Name (Primary Second Party) ]] acknowledges that the Texas Government Code, Section 2261.251(a) and 2261.252 require an initial determination in this higher education contract that no Texas State University System Regent, nor the Chancellor, Vice Chancellor and General Counsel, or the Vice Chancellor for Contract Administration has a 1% interest (or other interest prohibited by law) in [[[ Name (Primary Second Party) ]] or any affiliated company. The Parties also assert that this Agreement complies with Texas Government Code, Section 2252.908 which requires a business entity to submit a Disclosure of Interested Parties (Disclosure), as prescribed by the Texas Ethics Commission, to the government entity (University) at the time the signed contract (or amendment) is submitted. Within 30 days after the Disclosure is filed, the Owner will file a copy of the Disclosure with the Texas Ethics Commission.

34. **Miscellaneous Provisions**

34.1 **PERSONNEL; RESPONSIBILITY FOR INDIVIDUALS PERFORMING WORK; CRIMINAL BACKGROUND CHECKS.** Contractor will provide representation that it has conducted the following background checks on its officers, employees, or other persons it causes to be on the campus:

34.2 **Sex offender and criminal history databases where the above individuals will be placed on the campus, working with or around students;**

34.3 **Criminal history and credit history background checks where the above individuals will be handling money, informational technology, or other security-sensitive areas as determined by Owner;**
34.4 Contractor will determine on a case-by-case basis whether each individual assigned to perform the Work is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on Owner's premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses.

34.5 Contractor will provide Owner a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide Owner an updated certification letter each time there is a change in the individuals assigned to perform the Work.

34.6 Non-Boycott Verification. The Contractor hereby verifies that it does not boycott Israel and will not boycott Israel during the term of this Agreement. “Boycott Israel” shall have the meaning set forth in Chapter 808 of the Texas Government Code.

I. GENERAL:

A. The submission date of this RFP shall change from October 10, 2017 to **October 16, 2017**. The submission time remains unchanged. This date change affects the following Sections of the RFP:
   1) Cover page
   2) Section 2.1
   3) Section 7.3

B. It has come to the Owner’s attention that the stated installation dates may not be achievable based on current manufacturer’s time lines. Therefore, each respondent shall advise on Exhibit A that was included with the initial RFP posting, which pieces may not be available for installation by December 19, 2017. The evaluation team will use the deadline information provided on Exhibit A as information only and will not be used as part of the evaluation process.

II. DELETIONS:

A. Page 22 of 40, Section 5.21 Liquidated Damages: The Owner removes liquidated damages as part of this RFP. Remove this section in its entirety.

   **5.21 Liquidated Damages:**
   5.21.1 Failure of the Respondent to complete the Work within the time limit stipulated will be assessed Liquidated Damages which is the agreed sum stated in the individual Base Packages and is not to be construed as in any sense a penalty.
   5.21.2 Owner and Respondent recognize that time is of the essence of this Agreement and that the Owner will suffer financial loss if the furnishings are not delivered and installed within the Schedule of Installation stated in the Contract Documents plus any extensions thereof allowed in accordance with Article 18 of the General Conditions. They also recognize that the timely performance of the Respondent is necessary for the Owner to take immediate occupancy of the facility. Further, they recognize the delays, expense and difficulties involved in proving in a legal proceeding the actual losses or damages (including special, indirect, consequential, incidental and any other losses or damages) suffered by the Owner if a complete acceptable installation is not delivered on time.
   5.21.3 Accordingly, and instead of requiring proof of such losses or damages, Owner and Respondent agree that as Liquidated Damages for delay (but not as a penalty), Respondent shall pay Owner for each calendar day that Respondent is late in achieving a complete acceptable installation the Liquidated Damages stated in the Base Package(s).

B. Due to the revised submission date the selected respondent(s) will not meet with the Chancellor on October 16, 2017 as prescribed in item I (c) in Addendum No. 1.”
