Workshop Announcement:

Forensic Anthropology Methods

TCOLE and ABMDI Credit Available

This is a hands-on workshop designed to educate advanced undergraduates, graduate students, and medico-legal professionals on methods used in forensic anthropology. The workshop is designed for participants that are interested in expanding their knowledge of how to develop a biological profile from human skeletal remains and interpret skeletal trauma and bone disease. The five-day course includes lectures, labs, and case studies from the Texas State Donated Skeletal Collection.

Dates: June 11-15, 2018

Times: 9:00 a.m. – 5:00 p.m. daily

Location:

Texas State University
Grady Early Building
1921 Old Ranch Road 12
San Marcos, TX 78666

Please direct questions to:

Sophia Mavroudas at (512) 245-1900 or FACTS@txstate.edu
