SUBJ: S.B.S. 2013-2014/4 "Transitional Powers Act"

I received this legislation late June which sets out the process for appointment of the Constitutional Transitional Committee and grants the 2014-2015 Student Body President powers regarding the committee and regulation review process. I approve the plan for you to appoint the graduate students to the transitional committee and to approve any changes made by the Dean of Students to the new Student Government Code during the department's review of the document. I further agree that any changes to the original text of any statute should be approved by the Constitutional Transitional Committee prior to implementation.

If you have questions, please contact me.
