Executive Order

TO: Cabinet, Senate, House, and Supreme Court

FROM: Corey Benbow, Student Body President

DATE: April 22, 2019

SUBJ: Student government comprehensive assessment of student fees

By the authority vested in me as President by the Constitution and bylaws of Student Government of Texas State, including Title IV. Chapter 100, Article I, Sections (3) (4); I, COREY BENBOW, Student Body President do hereby order as follows:

Section 1. Purpose.

Transparency in Student Government has been a desire of students. Whereas, Student fees are collected from student and support student functions on campus. Currently the student body and student government do not have a transparent understanding of what student fees are used for in a way that is clear and easily understood. We must be a good steward of the fund’s students have entrusted to the university through their tuition and fees payments. To assess the use of these student fees a comprehensive understanding of how student fees are being used is needed.
Section 2. Action,

(A) The Finance Commission will perform a comprehensive assessment of student fees;

(B) The commission will be empowered to perform background information gathering and compile the information in a way that is easily understood;

(C) The Director of Finance will compile a written report titled: A comprehensive assessment of Student Fees – Texas State University (FY 2019);

(D) The Director of Finance will provide their written report to the Student Body President no later than September 2, 2019;

(E) The Director of Finance will deliver their written report to the Senate on September 9, 2019;

(F) The final written report upon approval will be made available to the student body no later than September 23, 2019.
