

Callen Hughes Foundation

The Callen Hugh's Foundation is a non-profit organization based out of New Braunfels, TX that is dedicated to helping children with cognitive and/or physical disabilities to have the opportunity to have fun in a recreational environment. We are working with the City of New Braunfels to build an all-inclusive park for children with disabilities to play alongside other children who are not faced with the same challenges. The city has donated the property and in January they approved the master plan. Now, we need to raise the \$4M to get the park built. We are at the beginning of our journey and have been able to raise \$30,000 so far. Join us in putting smiles on children's faces!

Position Description:

The Callen Hugh's Foundation is seeking creative, likeminded individuals who can assist in such duties as:

- Marketing for events
- Community outreach brainstorming
- Website and social media management
- Designing flyers

Preferred Qualifications:

- Marketing background or experience
- Knowledge of Facebook, Twitter, and related social media tools
- Passionate, self-motivated, reliable
