Announcement from the Honors Student Association:
Teacher Appreciation begins next month! We are all blessed to have so many WONDERFUL faculty members in the Honors College, and we want to send them a very special thank you—from each of us. To do this, we are asking everyone write a thank you letter to your favorite honors professor(s). There are materials to write these letters in the coffee forum, with a collection box next to them. We will be distributing these letters during the beginning of finals week, so we are on a time crunch! Grab your friends and encourage them all to help you thank the amazing faculty who make our Honors community go ‘round! Contact aef45@txstate.edu for more info.

Best,

Honors College
