**Teacher Preparation Program**

Texas State has been preparing teachers for their careers since 1903. Find out how to earn your teacher certification.

**College of Education: Athletic Training**

As the Athletic Training degree will transition from an undergraduate to a master’s program, this session will detail what undergraduate students need to know to prepare for the master’s in Athletic Training.

**College of Education: Health and Human Performance**

Discover your options within exercise and sports science, public health, and recreation administration. Students preparing for a graduate-level allied health program such as physical therapy may be interested in our pre-rehabilitation sciences concentration.

**College of Education: Teacher Preparation Program**

Texas State wants you to feel at home. Come learn about the many housing options, including living-learning communities. (Also find us at the fair.)

**McCoy College of Business**

Learn about various business degree programs, the McCoy Experience student development program and the college’s special admission requirements.

**School of Journalism and Mass Communication**

Learn about nationally accredited professional degree programs in Advertising, Digital Media Innovation, Electronic Media, Journalism, Mass Communication and Public Relations.

**Music, Theatre and Dance, Art and Design**

This session will focus on the outstanding programs in Fine Arts. Academic requirements and performance opportunities will be discussed.

**College of Applied Arts**

Learn about programs in agriculture, Army/Air Force ROTC, consumer affairs, criminal justice, family and child development, fashion merchandising, nutrition, interior design and social work.

**Student Panel**

Current students will give you an insider’s view of what it’s like to attend Texas State.

**What’s Next for Admitted Transfer Students**

Transfer students who have already been admitted to Texas State should attend this session to receive valuable information about the next steps to take to become a Bobcat.

**College of Science and Engineering**

Learn about the various majors in science, technology, engineering and math, as well as hands-on opportunities in undergraduate research and on-campus labs.

### MY SCHEDULE

This table has been provided to help organize your Bobcat Day. Each session has been assigned a number so that you can write your selection in each time slot box. **Some sessions fill up quickly, so it's a good idea to have an alternate.**

You may choose to attend one of the four Plan Your Day sessions, between 8:15–9:15 a.m. Don't forget to plan time for a campus walk (8:30 a.m. to 1 p.m.), a visit to the academic fair (9:00 a.m. to noon) and residence hall tours (noon to 3 p.m.).

### FINDING YOUR WAY AROUND CAMPUS

Just look for the flags! These buildings will be labeled with signs and color-coded flags to help you find your way:

- Alkek Library: red flags
- McCoy Hall: blue flags
- Supple Science Building: orange flags
- Undergraduate Academic Center: green flags
ACADEMIC MAJORS AND STUDENT SERVICES FAIR

Want to learn more about one of our majors or student support services? Attend an information session or stop by the department’s table at the Academic Majors and Student Services Fair to speak with a representative. The fair is located in the LBJ Student Center Ballroom and third-floor meeting rooms, 9:00 a.m. to noon.
