POLICIES FOR THE PERSONAL TRAINING PROGRAM

- Initial Appointment: Once a personal training package has been purchased and all forms are completed, the Fitness & Wellness office will update you within 7-10 business days, from the date of registration.
Once matched with a trainer, they will reach out to you to schedule the initial appointment. After three consecutive attempts to schedule the initial appointment with no response from the client, the Personal Training fee/package will be considered null and void. No refunds will be provided.
Late Policy: You are responsible for being on time for your appointment. Your trainer is only required to wait 10 minutes from scheduled session. If your session begins late it will only last until the end of the hour that the session was scheduled.
Cancellation Policy: Clients must notify their trainer at least 24 hours in advance to re-schedule an appointment. Failure to do so will result in forfeiture of the session. Your trainer is also responsible for giving 24 hour notice if they need to cancel or re-schedule.
Remaining sessions: Sessions are valid for only 90 days since last training session. After the trainer attempts to contact the client to schedule remaining sessions, three consecutive times without a response from the client, all remaining sessions will be considered null and void. At this point the client will no longer be able to access these sessions (regardless of how many are left).
You must have a current Campus Recreation membership to participate. You must bring your ID to get into the facility or scan your hand at the front desk turnstiles.
