SUBJ: ASG Legislation – S.R.F. 2012-2013/9 “A Resolution in Support of  
Reserved Area for Veterans in LBJSC”

I am in receipt of this legislation that indicates that it will create a space for veterans on campus to provide more resources to the men and women who served our nation. The VATS student organization is now a chartered student organization reporting to the Multicultural Student Affairs Office. As a chartered student organization, space in the LBJSC has been designated for the organization and is in the process of being renovated. I anticipate that the space will become available for occupancy by the end of the summer terms. The Multicultural Student Affairs Office is working closely with VATS officers to determine furnishings and other needed resources for the space.
