Thank you for your interest in our contest. We are very excited to invite you to our 6th annual percussion solo contest to be held on May 4, 2019! This event will give a high school percussion student an educational performance opportunity. They will perform their solo for a university percussion educator and receive a short lesson at the conclusion of their performance.

About the contest:

- It will take place at the Texas State University School of Music located at 101 Pleasant St, San Marcos, TX. 78666.
- It is open to any student attending a public or private high school.

- ONE original copy of the music will be required in the performer’s room for the judge.
- $30 (non-refundable after April 26) registration fee.
- The student will spend time, after the performance, with the judge and receive a mini-lesson.

- Each of the selected “best performers” will then perform in a “finals” round competition (open to all students/teachers/parents) for a chance to win a grand prize and the title of “Outstanding Soloist”.
- The final round will be judged by all three judges to select the “outstanding soloist”.

Rules:

- Performers are required to supply the original print music to be performed. Photocopies are not permitted.
- Performers must play a solo percussion piece that should not exceed 10 minutes in length.
- Deadline for entry is April 26, 2019
