Local Pharmacies					
Company/Website	Deductible	Membership Cost	Copays (30 day supply)	Extended purchase discounts	Mobile App
 B&J Pharmacy Contact pharmacy: 512.392.3301		No membership required	Competitive generic discounts, contact pharmacy: 512.392.3301		Yes

How do I use the Prescription Plan Comparison Tool?

1. Click on the website link under your medical prescription plan icon, and search online for prices. The prescription insurance company can assist with additional information if you have issues searching.
2. Enter the prescription drug information on the prescription plan worksheet ([download](#)).
3. Search for the same drug on one of the national discount program/local pharmacy websites or call the locations to compare prices to your prescription plan. Enter the information in the worksheet.
4. Select the least expensive cost based on the information provided on your worksheet.
