SUBJ: S.R.S. 2013-2014/14 "A Resolution Clarifying the Proper Naming Style
for Student Government"

I received this legislation late June which provides the administration and student media the preferred naming style guide for the Student Government and its officers. We are in support of the changes indicated in the legislation and will make any appropriate changes to the naming style beginning June 1, 2014. The ASG President will be known as "Student Body President"; the ASG Vice President will be known as "Student Body Vice President"; and the "Associated Student Government" will be known as "Student Government of Texas State University or Student Government" for short. I will forward this legislation to University Marketing and The University Star for appropriate actions on their part regarding university publications and media outlets.
