Application for Student Travel Grant

110th Annual Meeting
Baylor University, Waco, Texas
March 1-3, 2007

Student Travel Grants are awarded to help defray expenses students incur attending and presenting at the Texas Academy of Science Annual Conference. Monies allocated by the TAS Board of Directors have been distributed equally among the fifteen program sections of the Academy.

In order to be eligible for a Student Travel Grant, students must meet the following criteria:

- Student applicants must be the first author of a TAS abstract and must present (oral or poster presentation) at the TAS Meeting.
- Student must attend Awards Ceremony at 110th Annual Meeting to receive their award.
- Student must be officially enrolled in an academic institution at time of application.
- Membership in TAS is encouraged, but it is not a requirement to apply for or receive an award.

To submit an application for a Student Travel Grant, students should send contact information, an abstract of the paper they propose to present as first author, and an explanation of financial need (up to 500 words) to the Chair of the appropriate section (see http://www.texasacademyofscience.org/section.aspx ). Email is the required means of submitting a travel grant application and should follow the format below:

From: student email
To: section chair email
Cc: hdeyoe@utpa.edu
Subject: TAS Student Travel Grant

   Body: The body of the email must include (in order) student name and address, complete abstract, and statement of need.

All applications must be submitted to the appropriate Section Chair by January 15, 2007. Each Section Chair will make an award decision based on the applicant's demonstration of need and the quality of the project based on the abstract. If a conflict of interest exists between Section Chair and applicant, the award decision will transfer to the Section Vice-chair. Recipients of student travel grants will be notified in mid-February, one month prior to the annual meeting.
Questions about Student Travel Grants should be directed to the appropriate Section Chair or to:
