

Sarasota Memorial Health Care System (SMHCS) located in Sarasota, Florida has had a successful 2-year Administrative Fellowship program for over 20 years. Over a 2-year period, the fellowship provides a practical learning experience and emphasizes exposure to decision making at the highest governance, corporate and executive levels. During the first year, the Fellow selects rotations within the system according to his/her interests and with preceptor guidance. The remaining year is spent managing major projects that fulfill both the Fellow's and the organization's interests.

Sarasota Memorial Health Care System is a regional referral center offering Southwest Florida's greatest breadth and depth of care, with more than 900,000 patient visits each year. Its flagship 829-bed, acute-care hospital has been consistently recognized as one of the nation's largest and best, with superior patient outcomes and a complete continuum of outpatient services – from urgent care, trauma and emergency services to laboratory and diagnostic imaging, home health, skilled nursing and rehabilitation. SMH is the only hospital in Florida to have consistently earned the federal Centers for Medicare & Medicaid Services' highest five-star quality award since the rating system launched in 2016.
