From: Denise M. Trauth
Subject: President's Cabinet Meeting
June 18, 2020

Pandemic/Post Pandemic Work Groups (#771)

Dr. Lloyd and work group chairs provided updates and presented final recommendations. Cabinet members discussed the process for implementing the approved recommendations.

Mr. Travis Comer and Mr. Don Coryell, co-chairs of the Intercollegiate Athletics Work Group, presented their work group's recommendations. The recommendations addressed student-athlete's health and safety, cleaning and sanitation protocols, staff requirements, athletic trainer responsibilities, academic services, and future events. Cabinet members provided feedback and approved the recommendations provided their feedback was integrated into the recommendations.

Cabinet members discussed whether to allow tailgating prior to home football games and agreed that student tailgating will not be allowed.

RTA: 6/29/20 Discuss whether to allow outside groups to rent Texas State facilities and tailgate on university property prior to football games.

Dr. Angela Ausbrooks, chair of the Faculty and Staff Morale Work Group, discussed the results from a faculty and staff morale study as well as from the focus groups. The survey was disseminated to 4,445 faculty and staff; 1,005 responded to the survey; and 103 faculty and staff participated in focus groups. Short and long-term recommendations based on the results were provided.

RTA: 6/29/20 Continue discussion on short and long-term recommendations to improve faculty and staff morale.

Dr. Vedaraman Sriraman, chair of the Continuity of Education Work Group, presented the work group's recommendations. Cabinet members provided feedback and approved the recommendations provided their feedback was integrated into the recommendations.

Dr. Vedaraman Sriraman, chair of the Commencement Planning Work Group, provided an update. Cabinet members provided feedback and approved the recommendations provided their feedback was integrated into the recommendations.
