Transfer Success
studentsuccess.txstate.edu

Plug into the Student Success network to launch your Texas State experience and help you get to the next phase of your career. Find people and resources across campus to make sure you don’t miss out on great support services and ways to get involved in campus life, including:

- finding academic and career guidance
- connecting with other transfer students
- enjoying special events like the Transfer Student Tailgate

Determine Your Transferable Credits

Core Curriculum
admissions.txstate.edu/core

The General Education Core Curriculum serves as the common foundation for all undergraduate majors. It contains nine Component Areas, which every Texas State student must satisfy to graduate. You will receive core credit for any core course successfully completed at another institution. Some direct equivalents from junior colleges and universities may differ from Texas Common Course Numbers (TCCN). With planning, you may take courses that satisfy both the core curriculum and your degree requirements.

TRANSFER ADMISSION STANDARDS
admissions.txstate.edu/transfer

If you have completed transferable credit hours after graduating from high school, you are considered a transfer student. Official transcripts from every college and/or university you have attended must be submitted prior to the priority date of the semester to which you are applying. Test credits (AP, IB, CLEP) are not considered for transfer admission purposes. You must be eligible to return to all previous institutions regardless of GPA or degrees received (e.g., free of suspensions, dismissal or enforced withdrawal).

To receive assured admission as a transfer student, you must meet the following minimum requirements at the time of application.

<thead>
<tr>

</thead>
<tbody>
<tr>
<td>15 or fewer hours</td>
<td>2.0 cumulative GPA and meet freshman admission standards admissions.txstate.edu/freshman</td>

<tr>
<td>16–29 hours</td>
<td>2.5 cumulative GPA</td>
</tr>
<tr>
<td>30+ hours</td>
<td>2.25 cumulative GPA</td>
</tr>
</tbody>
</table>

HOW TO APPLY

1. Complete your transfer application (see admissions.txstate.edu/apply for details).
2. Submit the application fee of $75 (nonrefundable). Fee waivers are available to students who qualify.
3. Submit official college/university transcripts from all schools attended.
4. Send your high school transcript or GED certificate.

After an initial review, some applicants may be asked to submit additional information.

PROGRAM-SPECIFIC REQUIREMENTS

Some majors and programs, like the McCoy College of Business, have entry requirements that must be completed in addition to receiving general admission to the university. For more information, visit admissions.txstate.edu/programrequirements.

Review

If you do not meet assured admission requirements but have a minimum cumulative GPA of 2.0, your application will be reviewed through our holistic review process.

TEXAS STATE IS A HISPANIC-SERVING INSTITUTION WITH A MAJORITY-MINORITY (55%) STUDENT POPULATION.

TYPES OF FINANCIAL AID
GRANTS | WORK-STUDY | LOANS
To apply for financial aid, students must complete the FAFSA (Free Application for Federal Student Aid) at studentaid.gov/fafsa. The earlier you complete the FAFSA, the more likely you are to receive aid.
• You can submit the FAFSA as early as October 1
• Texas State’s school code: 003615
• Fall priority deadline: January 15

TRANSFER SCHOLARSHIPS
boss.txstate.edu
Texas State offers a variety of academic scholarships for transfer students. If you are admitted to Texas State as a transfer student and meet the Assured Admission standards, you may apply for competitive scholarships through the Bobcat Online Scholarship System (BOSS). Awards are based on the overall strength of your scholarship application. Scholarships are awarded in the fall. The scholarship application deadline is March 1.

HOUSING
We can help you find housing – either on or off campus – that will put you close to great campus events, activities and resources. Some students may be required to live on campus.

ROUND ROCK CAMPUS

Ideal for students completing a degree or professionals wanting to boost their careers, the Round Rock Campus offers undergraduate and graduate programs in nursing and healthcare, computer science, education, and more.

Undergraduates typically complete their freshman- and sophomore-level classes at the San Marcos Campus or transfer from other schools and finish their upper-level classes here.

• New facilities include state-of-the-art training labs in healthcare
• Centrally located for the Austin, Round Rock and Georgetown communities
• Teaching clinics on campus give students hands-on, practical experience

Students at the Round Rock Campus enjoy Texas State University’s full range of support programs, from academic advising to student health and counseling services to career counseling.

TOP CHOICE FOR TRANSFER STUDENTS IN THE U.S.

WE KNOW TRANSFERS

For generations Texas State has been a top destination in Texas for transfer students because we’re great at helping people find their next steps, academically and professionally.

From academic advisors to faculty and peer mentors, you will find people here who can help you get plugged in quickly to programs that fit your goals and prepare to make an impact in the world after graduation.

The Honors College gives you the chance to create a unique academic experience, one that pushes your understanding of the world to a new level. As an Honors College student, you can choose to take classes from a range of topics and engage in research while working closely with faculty, mentors and other students in small, seminar style classes.
