- Foreign Language Requirement – two years of the same foreign language in high school or two college semesters of a single foreign language.

- Bold courses are the required prerequisites for applicants with a previous bachelor’s degree.

What are the requirements for admission?

- Prerequisite GPA of 3.0 or higher
- Science GPA of 3.0 or higher
- Receive minimum TEAS scores or better
- Preference is given to those who have completed over half of your nursing prerequisites at TX State (36+ credit hours for 1st degree students)

The program is competitive, so the higher your GPA and TEAS scores, the greater your chance of being considered. Additional admission information is on the nursing website. www.nursing.txstate.edu

When are nursing applications accepted?

APPLICATIONS ACCEPTED FROM OCTOBER 1ST THROUGH JANUARY 15TH

By the application deadline, you must:
1. Be admitted or currently enrolled at TX State (www.admissions.txstate.edu),
2. Submit TEAS scores in SON application packet,
3. Submit updated transcripts from previous institutions to Undergraduate Admissions,
4. Complete all SON forms and requirements found on website (www.nursing.txstate.edu).

When am I ready to apply for the program?

When you have 18 or less remaining prerequisite credits at the end of a fall semester plus the following:
- Admitted to TX State for the fall semester you plan to begin the nursing program
- A & P I plus 2 or more of the 5 required science courses have been completed
- 3.0 minimum science GPA - All Cs or better in science courses and nutrition
- All coursework must be completed in the spring and summer before starting nursing school

What else do I need to know?

⇒ All updates and communication are posted on the SON website (www.nursing.txstate.edu), so add us to your Favorites.
⇒ Apply to TX State University early since it usually takes 4-6 weeks to hear about your admission.
⇒ Transfer course equivalency guide is available on the Undergraduate Admissions website. (www.admissions.txstate.edu/future/transfer/ equivalency-guides.html)
