Construction for southwest ADA ramp to start on August 26, 2019 and be completed by October 28, 2019.

Level 2 emergency exit out of the Bookstore will be closed intermittently during construction of ramp, in coordination with building users and fire marshal.

New temporary ADA ramp will be open on August 26, 2019.

Existing temporary ADA ramp to remain through end of project, January 31, 2020.

Egress route will be required to be shutdown intermittently with proper notice to perform work at narrow area. Occupants will be redirected to the southern exit with signage. Periods of high use in Alkek will be coordinated with the building users and Fire Marshall.
