A Resolution in Support of a LBJ Community Work Space

WHEREAS: The Associated Student Government strives to promote adequate resources in the best way possible to its students as well as the university's organizations; and

WHEREAS: The fourth floor cubicle space has been reduced to an empty walk space; and

WHEREAS: A community workspace would allow more students to access the resources that LBJ Student Center and the university as a whole provide; and

WHEREAS: This space would invite more organizations to take advantage of the student organization space available; and

WHEREAS: The workspace would promote organization interaction and collaboration, therefore;

BE IT RESOLVED: That Associated Student Government support the establishment of a community workspace in the LBJ Student Center 4th floor, previously the cube space; and

BE IT FURTHER RESOLVED: That Associated Student Government recommends the use of a large community calendar for the unity of student organizations on campus, to be displayed in the new community work space; and

BE IT FURTHER RESOLVED: The furniture in this workspace be mobile and modular to best fit the large size and range of student organizations; and

BE IT FURTHER RESOLVED: That, if passed, this bill be forwarded to ASG Advisor Kathy Weiser, Dean of Students Dr. Margarita Arellano, Vice President for Student Affairs Dr. Joanne Smith, and University President Dr. Denise Trauth upon passage.
