Department of Management  
McCoy College of Business

## Spotlight on Faculty

**Dr. Cecilia Temponi**

will begin serving a two year appointment in a collaborative effort between the McCoy College and the Ingram School of Engineering. Dr. Temponi holds a Ph.D. in Industrial Engineering from the University of Texas at Arlington and has an outstanding record in both teaching and research. Her responsibilities in the Ingram School of Engineering will include developing scholastic opportunities between the two Texas State colleges. Congratulations Dr. Temponi!

**Dr. Brian Miller**

was recently interviewed by the communication specialist for the Society for Industrial and Organizational Psychology (SIOP) about a paper that he co-authored with Dr. Kay M. Nicols and Dr. Jack Eure (retired from the Marketing Department) that is due to be presented at the conference in April. The paper is titled, "*Body art in the workplace: Piercing the prejudice or puncturing employment possibilities?*" A news release was issued by SIOP and the story has been featured on websites such as Reuters, Washington Times, Newswise, Workforce, and even Yahoo India and the New Zealand Herald. Dr. Miller and Dr. Nicols were also guests on a live radio interview via telephone with station CFUN 1410 AM in Vancouver, Canada. Great job Dr. Miller!
