SECTION I – GENERAL INFORMATION & REQUIREMENTS

1.1 GENERAL INFORMATION: The Texas State University System (“TSUS”, “System”) is soliciting Statements of Qualifications (“Qualifications”, “Proposals”) for selection of one or more firms (“Auditor”, whether one or more) to perform Construction Audits for Construction Manager-At-Risk (CMR) and/or Design-Build (D/B) Construction Contract(s) that are held by TSUS. The Third Party Construction Audit Contracts with the selected firm(s) will be promulgated as an indefinite quantity form of contract that will have an initial term beginning on October 1, 2018 and ending on August 31, 2021 with an option for TSUS to extend the Contract for one (1) additional year, September 1, 2021 through August 31, 2022. The total value of the Contract will not exceed $200,000 (Two Hundred Thousand and no/100 Dollars) per Contract year. Auditor fees are subject to adjustment on the second anniversary of the Contract in an amount not to exceed 10%. Prospective entities submitting their proposals in response to this solicitation are called “Respondents”, “Vendor”, or “Proposers” herein.

1.1.1 Collecting Statements of Qualifications in response to this RFQ is the first step in selecting an Auditor firm. This RFQ provides the information necessary for Respondents to prepare and submit Statements of Qualifications for consideration by the Owner. In the next step TSUS will evaluate the Respondents and may make a “most qualified” selection based upon the written Qualifications only.

1.1.2 TSUS, at its discretion, may select up to three (3) Respondents it judges most qualified to participate in an interview with the Owner to confirm and clarify the qualifications submitted and to answer additional questions. TSUS will then determine one or more of the most qualified Respondent(s).

1.1.3 After selecting the most qualified Respondent(s) TSUS will negotiate the detailed professional services to be provided by the Auditor and a suitable fee for those services.

1.1.4 Contract: Any contract resulting from this solicitation will be in the form of the Owner’s Standard Indefinite Quantity Services Agreement, a copy of which is attached to this RFQ as Exhibit A.

1.2 PUBLIC INFORMATION: By submission of this agreement, [Vendor] acknowledges that the agreement, and the contents of any underlying proposals or other documents provided to [TSUS] in response to a competitive bid process from which the Agreement resulted, are public information under the Texas Public Information Act (Texas Government Code Chapter 552). [Vendor] agrees that [TSUS] may provide a copy of the Agreement and/or bid documents in response to a public information request, post the Agreement on its public website, or otherwise release the contents of the Agreement and/or bid documents at [TSUS’s] discretion and without prior notice to [Vendor]. Vendor acknowledges that the TSUS strictly adheres to all statutes, court decisions, and the opinions of the Texas Attorney General with respect to disclosure of public information.
1.3 CLARIFICATIONS AND INTERPRETATIONS: Any clarifications or interpretations of this RFQ that materially affect or change its requirements will be issued formally by TSUS as a written addendum. Addenda, if required, will be issued by TSUS for this RFQ via the Texas Electronic State Business Daily at: [http://www.txsmartbuy.com/sp](http://www.txsmartbuy.com/sp) The Agency Number for Texas State University System is 758. It is the responsibility of all Respondents to check the status of formal addenda before the submission deadline and to obtain this information in a timely manner. All such addenda issued by TSUS before the submittals are due shall be acknowledged by Respondents and incorporated into their response to the RFQ.

1.4 EXECUTION OF OFFER: Please complete, sign and return the attached Execution of Offer (Section VI) as part of the proposal. The Execution of Offer must be signed by a representative of Proposer duly authorized to bind the Proposer to its proposal. Failure to sign and return the Execution of Offer will result in the rejection of the proposal.

1.5 PROPOSER QUESTIONS: After the RFQ is advertised, proposers will have until Friday, August 24, 2018 at 3:00 p.m. C.D.T., to submit written questions for clarification of the proposal. Send questions to TSUS’s Point-of-Contact listed under Section 1.6. All questions submitted and received will be reviewed, consolidated where possible, and answered in one addendum to the proposal. The addendum will be posted on the Texas Electronic State Business Daily at: [http://www.txsmartbuy.com/sp](http://www.txsmartbuy.com/sp) The Agency Number for Texas State University System is 758. Addenda are usually posted within 2 business days unless the questions involve legal issues or complex subjects. It is the proposer's responsibility to continually check the website for Addenda.

If a state agency determines an individual or business entity holding a state contract was ineligible to have the contract accepted or awarded as described above, the state agency may immediately terminate the contract without further obligation to the vendor.
