

## New menu – Request Listing

There is a new menu for students that lists all upcoming test requests in chronological order with the Course, Instructor, Status, Date, Time, and Request Number.

1 Screenshot of New Menu Listing

There is a new message area at the top where ATSD can post announcement and important information. Below the message area is a box with all of your assessments. The line will highlight as you scroll over it.

### Current Requests

This page is listing of your current testing requests. They are sorted in chronological order.

Below is an explanation of the potential status for your request:

Requested: You have submitted your request the Instructor has not yet approved or denied the request.

Faculty Approved: The Instructor has approved your request.

Faculty Denied: Instructor has denied your request.

Faculty Changed: Instructor has altered your request, please check the request for the update.

Scheduled: Your request is planned for the stated day and time.
