SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

1.1 GENERAL INFORMATION: The Texas State University System (“TSUS”) and Lamar State College-Port Arthur (“College”) are soliciting Statements of Qualifications for selection of a firm (“Master Planner”) to provide Master Planning Services for Lamar State College-Port Arthur’s campus in Port Arthur, Texas (“Project”), in accordance with the terms, conditions, and requirements set forth in this Request for Qualifications (RFQ). TSUS and Lamar State College-Port Arthur are referred to together in this RFQ as “Owner”.

1.1.1 Collecting Statements of Qualifications in response to this RFQ is the first step in selecting a Master Planner. This RFQ provides the information necessary for respondents to prepare and submit Statements of Qualifications for consideration and initial ranking by the Owner. In the next step the Owner will determine an initial ranking of the respondents. If the initial ranking of the respondents is reasonably conclusive, the Owner may make a “most qualified” selection based upon the written Qualifications only. If not, then the Owner may conduct interviews with a “short list” of respondents.

1.1.2 The Owner may select up to five (5) of the top ranked qualified respondents to participate in an interview with the Owner to confirm and clarify the qualifications submitted and to answer additional questions. The Owner will then rank the interviewed respondents in order to determine a single most qualified respondent.

1.1.3 After selecting the most qualified respondent the Owner will negotiate the detailed professional services to be provided by the Master Planner and a suitable fee for those services.

1.2 PUBLIC INFORMATION: All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (Texas Government Code, Chapter 552.001, et seq.) after the solicitation is completed. The Owner strictly complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information.

1.3 TYPE OF CONTRACT: Any contract resulting from this solicitation will be negotiated between the Owner and the successful firm, based on a scope of services and fee to be agreed upon by the parties. General information regarding the probable scope of services is contained in this RFQ.

1.4 CLARIFICATIONS AND INTERPRETATIONS: Any clarifications or interpretations of this RFQ that materially affect or change its requirements will be posted by the Owner as an addendum on all media channels where it was initially advertised. It is the responsibility of all respondents to obtain this information in a timely manner. All such addenda issued by the Owner before the
proposals are due as part of the RFQ, and respondents shall acknowledge receipt of and incorporate each addendum in its Qualifications. Respondents shall consider only those clarifications and interpretations that the Owner issues by addenda five (5) days prior to the submittal deadline. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Qualifications.

1.5 SUBMISSION OF QUALIFICATIONS:

1.5.1 The qualifications must be received at the address specified prior to the deadline. The Owner will not consider any response to this solicitation that is not received at the address specified by the deadline, regardless of whether it has been received elsewhere on the Lamar State College-Port Arthur campus.

1.5.2 DEADLINE AND LOCATION: The Owner will receive Qualifications for RFQ No. 758-18-04011 at the time and location described below.

April 11, 2018 - 2:00 p.m. (C.D.T.)

1.5.3 Submit (2) electronic versions of the Qualification Package and HSP on CD or flash drive format.

1.5.4 Submit (6) six identical copies of the Qualifications. An original signature must be included on the respondent’s “Execution of Offer” document submitted with each copy.

1.5.5 Submit one (1) original and one (1) copy of the HUB Subcontracting Plan (HSP) as separate attachments to the Qualifications as described in Section 1.13.

1.5.6 Qualifications and HSP materials received after the deadline in 1.5.2 will be returned to the respondent unopened.

1.5.7 The Owner will not acknowledge or receive Qualifications that are delivered by telephone, facsimile (fax), or electronic mail (e-mail).

1.5.8 Properly submitted Qualifications will not be returned to respondents.

1.5.9 Qualification, financial statements (see Section 3.2.2) and HSP materials must be enclosed in a sealed envelope (box or container) addressed to the Point-of-Contact person; the package must clearly identify the submittal deadline, the RFQ number, and the name, return address and email address of the respondent contact on all envelopes.

1.6 POINT-OF-CONTACT: The Owner designates the following person as its representative and Point-of-Contact for this RFQ. Respondents shall restrict all contact with the Owner and direct all
questions regarding this RFQ, including questions regarding terms and conditions and technical specifications, to the Point-of-Contact person by email only.

1.7 EVALUATION OF QUALIFICATIONS: The evaluation of the Qualifications shall be based on the requirements described in this RFQ. All properly submitted Qualifications will be reviewed, evaluated, and ranked by a Selection Committee appointed by the President of Lamar State College-Port Arthur. Typically, that committee will include both present and future users of campus facilities developed by the Project and by facilities professionals, including representation from the TSUS System Office. The top five or fewer ranked respondents may be selected by the Owner for further consideration by participating in an interview wherein qualifications will be presented and examined in further detail and where questions will be posed by the Selection Committee and answered by the respondent.

1.7.1 Qualifications submittals should not include any information regarding respondent’s proposed fees, pricing, or other compensation considerations as these will not be a factor in the selection of the best qualified firm.

1.8 OWNER’S RESERVATION OF RIGHTS: The Owner may evaluate the Qualifications based on the anticipated completion of all or any portion of the Project. The Owner reserves the right to divide the Project into multiple parts, to reject any and all Qualifications and re-solicit for new Qualifications, or to reject any and all submissions and temporarily or permanently abandon the Project. Owner makes no representations, written or oral, that it will enter into any form of agreement with any respondent to this RFQ for any project and no such representation is intended or should be construed by the issuance of this RFQ.

1.9 ACCEPTANCE OF EVALUATION METHODOLOGY: By submitting its Qualifications in response to this RFQ, respondent accepts the evaluation process and acknowledges and accepts that determination of the “most qualified” firm(s) will require subjective judgments by the Owner.

1.10 NO REIMBURSEMENT FOR COSTS: Respondent acknowledges and accepts that any costs incurred from the respondent’s participation in this RFQ shall be at the sole risk and responsibility of the respondent.

1.11 PRE-SUBMITTAL CONFERENCE: There will be no pre-submittal conference conducted for this selection process.

1.12 ELIGIBLE RESPONDENTS: Only individual firms or lawfully formed business organizations may apply (This does not preclude a respondent from using consultants.) The Owner will contract only with the individual firm or formal organization that submits a Qualification.

1.13 HISTORICALLY UNDERUTILIZED BUSINESSES’ SUBMITTAL REQUIREMENTS: It is the policy of the Texas State University System and each of its component institutions, to promote and
encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUB) in all contracts. Accordingly, it will be the Owner’s objective to include HUB firms in this procurement to the extent reasonably possible. HUB firms and primary Respondents employing HUB firms will be given favorable consideration by the selection committee. A HUB plan will be required in any Agreement resulting from this RFQ.

1.14 **CERTAIN PROPOSALS AND CONTRACTS PROHIBITED:** Under Section 2155.004, Texas Government Code, a state agency may not accept a proposal or award a contract that includes proposed financial participation by a person who received compensation from the agency to participate in preparing the specifications or request for proposals on which the proposal or contract is based. All vendors must certify their eligibility by acknowledging the following statement, "Under Section 2155.004, Government Code, the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate." If a state agency determines that an individual or business entity holding a state contract was ineligible to have the contract accepted or awarded as described above, the state agency may immediately terminate the contract without further obligation to the vendor. This section does not create a cause of action to contest a proposal or award of a state contract.

1.15 **SALES AND USE TAXES:** Section 151.311, Tax Code, as amended effective October 1, 1993, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include Texas State University System and Lamar State College-Port Arthur. The section further permits the purchase tax-free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is "necessary and essential for the performance of the contract" and "completely consumed at the job site." In addition, the section permits the purchase tax-free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if "the contract expressly requires the specific service to be provided or purchased by the person performing the contract" or "the service is integral to the performance of the contract."

1.16 **CERTIFICATION OF FRANCHISE TAX STATUS:** Respondents are advised that the successful respondent will be required to submit certification of franchise tax status as required by State Law (H.B. 175, Acts 70th Leg. R.S., 1987, Ch. 283, p. 3242). The contractor agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.

1.17 **DELINQUENCY IN PAYING CHILD SUPPORT:** Under Section 231.006, Family Code, the vendor or applicant certifies that the individual or business entity named in this contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate.

1.18 **STATE REGISTRATION OF ENGINEERING FIRMS:** Respondents are advised that the Texas Board of Professional Engineers requires that any entity providing engineering services to the public must register with the Texas Board of Professional Engineers. An entity is defined as a sole proprietorship, firm, partnership, corporation or joint stock association.

1.19 **STATE REGISTRATION OF ARCHITECTURAL FIRMS:** Respondents are advised that the Texas Board of Architectural Examiners requires that any entity (including architects, landscape
architects and interior designers) providing architectural services (including architects, landscape architects and interior designers) to the public must register with the Texas Board of Architectural Examiners. An entity is defined as a sole proprietorship, firm, partnership, corporation or joint stock association.

SECTION 2 – EXECUTIVE SUMMARY

2.1 HISTORICAL BACKGROUND: John W. Gates of New York City, one of the founders of Texaco, established Port Arthur Business College in 1909, to train people for the petrochemical industry, then in its infancy. The college became Port Arthur Collegiate Institute in 1911, when the school was presented to the Board of Education of the Methodist Episcopal Church North, a forerunner of the present United Methodist Temple. The church operated the growing campus until 1918, when it was turned over to a non-profit Texas corporation. This corporation had no capital stock and was overseen by a self-perpetuating board of trustees. The name of the school was changed back to Port Arthur Business College and finally, in 1932, to Port Arthur College.

On July 31, 1974, another milestone in the school's history was reached. W. Sam Monroe, then President of Port Arthur College and a Lamar University regent, presented his fellow members of the Lamar board a resolution seeking merger of Port Arthur College into Lamar University. The 21 trustees of the school agreed that the merger would be in the best interests of both institutions and their constituencies.

The 64th Legislature of the State of Texas authorized the merger and appropriated $600,000 for creation of the Lamar University Center at Port Arthur. On Aug. 21, 1975, the trustees presented the deed for Port Arthur College to the Lamar University Board of Regents. Classes began on the Port Arthur campus on Aug. 28, 1975. Since the merger in 1975, enrollment increased from 151 students to a peak of more than 3,000 and the curriculum has been expanded to more than 50 areas of study. In 1977, the 65th Legislature approved House Bill 1134 renaming the campus as Lamar University-Port Arthur; the "Extension Center" designation was dropped. In 1983, the 68th Legislature passed three bills which directly affected the college:

2.1.1 Senate Bill 409 in effect deleted the restrictive language of H.B. 130 (passed in 1971 by the 63rd Legislature), thereby making Lamar University-Port Arthur eligible, on an equal basis with other state institutions, for state funds to be utilized in the purchase of land and/or buildings.

2.1.2 Senate Bill 410 provided Lamar University regents with the authority to levy a fixed student fee and the authority to bond against said fee for construction of a student center building on the Port Arthur campus. This legislation was validated by a majority vote of the Lamar University-Port Arthur student body in November 1983.

2.1.3 Senate Bill 620 created the Lamar University System. Lamar University-Port Arthur thus became a component institution of that system on Aug. 29, 1983.

In 1985, two bills affected the school:

2.1.4 Senate Bill 578 in 1985 provided that Lamar University-Port Arthur should be renamed a beneficiary institution and receive funds through the Higher Education Assistance Fund.
2.1.5 The General Appropriations Act of 1985 directed that a formula be developed by the Texas Higher Education Coordinating Board to provide operational funding to Lamar University-Port Arthur on the same basis as other state-supported institutions of higher education.

2.1.5.1 Senate Bill 78 in 1989 removed restrictions imposed by earlier legislation on the acquisition of real estate and the construction of facilities on campus.

2.1.5.2 Senate Bill 843 in 1991 clarified the issue of degree-granting authority by granting permission for Lamar University-Port Arthur to issue associate degrees in its own name. Effective Sept. 1, 1995, by action of the Texas Legislature, the Lamar University System was abolished and Lamar University-Port Arthur along with sister institutions in Orange and Beaumont joined The Texas State University System. With offices in Austin, TSUS includes Sam Houston State University, Texas State University, and Sul Ross State University.

House Bill 1297 was signed into law in June 1999, changing the name of the institution to Lamar State College-Port Arthur.

Lamar State College-Port Arthur is a member of The Texas State University System and an equal opportunity/affirmative action educational institution.
