3.1 CRP Division Allocation Manager
- CRP Division Managers have access to these areas of the Web application for their Division/Colleges only:
  - Department CRP Allocations
  - Employee CRP Allocation
  - Department PRP Allocation
  - Submit PRP Allocations
  - Div/College Allocations Summary
  - Department Alloc Summary
  - PRP Actual Cost Summary
  - TSP Maintenance
  - Div Mgr Instructions

3.2 CRP Department Contact
- CRP Department Contacts have access to these areas of the Web application for their Department only:
  - Employee CRP Allocation
  - Submit PRP Allocations
  - Department Alloc Summary
  - PRP Actual Cost Summary
  - TSP Maintenance
  - Dept Contact Instructions

One CRP Unit = One CRP Computer
3.3 The CRP Allocation workflow process is as follows (Figure 3-B):

1. **Division Allocation Manager** – Allocates CRP units to their colleges or departments.
2. **Department Contact** – (1) selects HEAF eligible employees to receive CRP computers; (2) selects that employee’s computer; (3) enters cost and fund numbers for selections that require additional department funds; and (4) decides whether to include the employee and/or Technical Support Person (TSP) in order update e-mails.
3. **IT Assistance Center (ITAC)** – Receives the order and begins a five-steps-to-delivery process (See Fig. 3-C).

4.0 Department CRP Allocations

4.1 The Department CRP Allocations screen is used by Division Managers to allocate units for the Division/College across the Departments within that Division/College. Employee lists for the Departments may be viewed. The CRP Division Allocation Manager will only be able to view and enter information for Departments within their Division/College (see Fig. 4-A).

4.2 Choose the Division/College from the drop down list.

4.3 The Division Allocations, total Department Allocations Assigned, and Division Allocations Remaining is displayed.

4.5 Enter Department Allocations (See Fig. 4-A):

1. A table will display containing all the Departments for the College/Division.

2. Enter an Allocations Assigned number to indicate the number of units assigned for a Department.

3. At any time during the entry, click **Save Allocations**. The Allocation amounts will be saved and the totals at the top of the screen will be updated.

4. Entry validation is not performed until the **Save Allocations** button is clicked. At that time, errors, if any, will be displayed.

5. Once all Allocations have been entered, click **Save Allocations**.
### 4.6 View Employee Lists:

- **Click View Employees** in the Department row.
- The list of the employees will be displayed (see Fig. 4-B).
- The employee list is color coded:
  - White background (E) – CRP Eligible
  - Blue background (N) – NOT CRP Eligible
  - Yellow background (P) – Part Time Employee
- **Click Export** to save the employee list to an Excel spreadsheet.
- Go back to the main screen and click **Display All Division/College Employees** (see Fig. 4-A) to display a list of all employees in the Division.
  - This list can also be Exported and saved to an Excel spreadsheet.

Figure 4-B. Department Employee List.
5.0 Employee CRP Allocation

5.1 The Employee CRP Allocation screen is used by Department Contacts to select employees to receive CRP computers. (See Fig. 5-A)

5.2 Choose the Division/College from the drop down list.

5.3 Choose the Department from the drop down list.

5.4 Select Employee to Receive Allocation

1. Click the Grant Allocation checkbox next to the employee name.

2. Enter the 10 digit Responsible Cost Center.

3. Select a computer for each employee from Select Computer drop down list.

   If the Computer is an Advanced Workstation, enter the Cost Center and Fund for the extra costs.

4. Click the Notify Recipient check box if the employee who is receiving the CRP Allocation is to receive order status e-mail updates. Note: The person submitting the order will receive status e-mail updates by default.

5. Click the Notify TSP check box if the department TSP is to get order status e-mail updates. You must enter the TSP’s NetID for the TSP to receive the e-mail updates or use the TSP Maintenance section (see Section 11 below) to identify your department’s TSP.

6. Click Submit. ITAC will receive an e-mail regarding the CRP Order. This will begin a five steps to delivery process.

5.5 Click Export to export the table to an Excel database.

5.6 Click the arrow to the left of the Employee Name to expand the screen to view the employee and funding detail information.

5.7 Click Display All Department Employees to view all employees in that department and their CRP eligibility status.

   • The list of the employees will be displayed (see Fig. 5-B).
The employee list is color coded:

- White background (E) – CRP Eligible
- Blue background (N) – NOT CRP Eligible
- Yellow background (P) – Part Time Employee

Click **Export** to save the employee list to an Excel spreadsheet.

6.0 Department PRP Allocations

6.1 The Department PRP Allocation screen is used by Division Managers to distribute the Printer Allocation dollars for the Division/College across the Departments within that Division/College. The Division Manager will only be able to view and enter information for Departments within their Division/College (see Fig. 6-A).

6.2 Choose the Division/College from the drop down list.

6.3 The Division PRP Allocations, total Department PRP Allocations Assigned, and Division PRP Allocations Remaining will display.

6.4 Enter Department PRP Allocations (See Fig. 6-A):

1. A table will display containing all the Departments for the College/Division.

2. Enter a PRP Allocations Assigned amount to indicate the allocations of dollars for printers assigned for a Department.

3. At any time during the entry, click **Save Allocations**. The Allocation amounts will be saved and the Allocation Totals at the top of the screen will be updated.

4. Entry validation is not performed until the **Save Allocations** button is clicked.

5. Once all Allocations have been entered, click **Save Allocations**.
7.0 Submit PRP Allocations

7.1 The Submit PRP Allocations screen is used by Department Contacts to order department printers (See Fig. 7-A).

7.2 Select the **Division** from the drop down list.

7.3 Select the **Department** from the drop down list.

7.4 The available printers will be displayed on the screen.

7.5 The printer amount allocated, printer amount used, and printer amount remaining is displayed along with an order form to order a printer(s).

7.6 **Order a Printer**

1. Enter the Requestor Contact Information.
2. Select a printer and enter a quantity.
3. Enter the Fund Number and Cost Center to be used if the cost of the printer(s) exceed the PRP Allocation Amount for the Department.
4. Click **Submit**. ITAC will receive an e-mail regarding the PRP Order.

This will begin a three steps to delivery process (see Fig. 7-B).
