The goal of the HUB program is to promote full and equal business opportunity for all businesses contracting with state agencies. If under the terms of any Agreement or Contract the Provider subcontracts any services, then, Provider must make a good faith effort to utilize HUBs certified by the Statewide Procurement Division of the Texas Comptroller of Public Accounts (SPD).

The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. “Force Majeure” is defined as acts of God, war, strike, fires, explosions, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing with proof of receipt within three (3) business days of the existence of such Force Majeure or otherwise waive this right as a defense.

47 ALTERNATIVE DISPUTE RESOLUTION – The dispute resolution process provided for in Chapter 2260 of the Government Code shall be used, as further described herein, by University and Provider to attempt to resolve any claim for breach of Contract made by Provider:

47.1 Provider’s claim for breach of Contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process:

47.1.1 Provider shall submit written notice, as required by subchapter B, to University’s representative.

47.1.2 This notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked.

47.1.3 A copy of the notice shall also be given to all other representatives of University and Provider otherwise entitled to notice under the parties’ Contract.

47.2 The contested case process provided in Chapter 2260, subchapter C, of the Government Code is Provider’s sole and exclusive process for seeking a remedy for any and all alleged breaches of Contract by University if the parties are unable to resolve their disputes under subparagraph (A) of this paragraph.

47.4 The submission, processing and resolution of Provider’s claim is governed by the published rules adopted by the Attorney General pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended.

47.5 Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by Provider, in either whole or in part.
