

Heather L. Smith

to.heather.smith@txstate.edu

Department of Anthropology
Texas State University
San Marcos, TX
512.245.7862

Education

- Ph.D. Anthropology (2015) Texas A&M University, College Station, Texas
Dissertation: Paleoindian Technology in Beringia—A Technological and Morphological Analysis of the Northern Fluted-Point Complex. (Chair: Ted Goebel)
- M.A. Anthropology (2010) Texas A&M University, College Station, Texas
Thesis: A Behavioral Analysis of Clovis Point Morphology Using Geometric Morphometrics. (Chair: Ted Goebel)
- Undergraduate coursework in Anthropology (2005-2007) The University of Texas at Austin
(Undergraduate Mentor: Michael Bever)
- B.A. Photocommunications (2002) St. Edward's University, Austin, Texas, Magna Cum Laude
(Undergraduate Mentor: Joseph Vitone)

Appointments

- | | |
|--------------------|--|
| 2020–Present | Assistant Professor
Texas State University, Department of Anthropology, San Marcos, TX. |
| 2005–Present | Associate Editor , <i>TexasBeyondHistory.net</i> , Texas Archaeological Research Laboratory, The University of Texas at Austin. |
| 2017–2020 | Assistant Professor , Eastern New Mexico University, Department of Anthropology and Applied Archaeology, Portales, NM. |
| 2016–2017 | Visiting Assistant Professor , Eastern New Mexico University, Department of Anthropology and Applied Archaeology, Portales, NM. |
| 2016 (Summer) | Archaeological Technician , Prewitt and Associates, Inc., Austin, TX |
| 2016 (Spring) | Instructor , Department of Anthropology, Texas A&M University, College Station. |
| 2015 (Summer) | Archaeological Technician , The Center for Environmental Management of Military Lands, Colorado State University, Fort Wainwright, Alaska |
| 2014 (Summer) | Instructor , Department of Anthropology, Texas A&M University, College Station. |
| 2011–2014 | Research Assistant , Center for the Study of the First Americans, Texas A&M University, College Station. |
| 2008–2014 | Website-Developer, Graphic Designer , Center for the Study of the First Americans, Texas A&M University, College Station. |
| 2007–2011 | Student Research Technician , Center for the Study of the First Americans, Texas A&M University, College Station. |
| 2010–2011 | Assistant Editor , <i>Current Research in the Pleistocene</i> , Center for the Study of the First Americans, Texas A&M University, College Station. |
| 2008-2010 (Spring) | Instructor , Department of Anthropology, Texas A&M University, College Station. |
| 2007-2010 (Fall) | Teaching Assistant , Department of Anthropology, Texas A&M University, College Station. |

Refereed Publications

Smith, H., and T. Goebel (2020) Происхождение и Распространение Традиции Желобчатых Наконечников на Территории Канадского Свободного ото Льда Коридора и Восточной Берингии (Russian translation: The Origins and Spread of Fluted-point Technology in the Canadian 'Ice-free Corridor' and Eastern Beringia). *Археология Арктики* 7:115-146.

Smith, H., S. Kuzminsky, and A. Linderholm (2020) Discerning Dispersals along the Pacific and Interior Corridors: Contributions of Geometric Morphometrics to the Peopling of the Americas. *PaleoAmerica* 6(1):109–130. DOI: 10.1080/20555563.2019.1696149.

Smith, G.M., D. Duke, D. Jenkins, T. Goebel, L. Davis, P. O'Grady, D. Stueber, J. Pratt and **H. Smith** (2020) The Western Stemmed Tradition: Problems and Prospects in Paleoindian Archaeology in the Intermountain West. *PaleoAmerica* 6(1):23–42. DOI: 10.1080/20555563.2019.1653153.

Smith, H. (2019) The Manufacture of Northern Fluted Points: A Production Sequence Hypothesis. *PaleoAmerica* 5(2):169–180.

Teten'kin, A., **Smith, H.**, and A. Henry (2016) Archaeological Evidence for Construction Activities at the Kovrizhka Site, Siberia, during the Pleistocene-Holocene Transition: Structures, Lithics, and Charcoal Analyses. *PaleoAmerica* 2(4):343–361.

Graf K., K. Krasinski, L. DiPietro, A. Gore, **H. Smith**, D. Rhode, S. Driese, and N. Bigelow (2015) Dry Creek Revisited: New Excavations, Radiocarbon Dates, and Site Formation Inform on the Peopling of Eastern Beringia. *American Antiquity* 80(4):671-694.

Smith, H., A. M. Smallwood, and T. J. DeWitt (2015) A Geometric Morphometric Exploration of Clovis Fluted-Point Shape Variability. In *Clovis: On the Edge of a New Understanding*, edited by Ashley M. Smallwood and Thomas Jennings, pp.161-180. Texas A&M University Press, College Station.

Smith, H., J. Rasic, and T. Goebel (2013) Biface Traditions of Northern Alaska and Their Role in the Peopling of the Americas. In *Paleoamerican Odyssey*, edited by Kelly E. Graf, Caroline V. Ketron, and Michael R. Waters, pp.105-123. Texas A&M University Press, College Station.

Goebel, T., **H. Smith**, L. DiPietro, M. Waters, B. Hockett, K. Graf, R. Gal, S. Slobodin, R. Speakman, S. Driese, and D. Rhode (2013) Serpentine Hot Springs, Alaska: Results of Excavations and Implications for the Age and Significance of Northern Fluted Points. *Journal of Archaeological Science* 40:4222-4233.

Smith, H. (2012) Geometric Morphometrics and the Effects of Raw Material Quality on Clovis Point Shape. *Current Research in the Pleistocene* 28:83-85.

Technical Reports

Smith, H. (2021) Cultural Resource Survey of Areas Associated with Hot Spring Geothermal Features in Taos, New Mexico. Report Submitted to the New Mexico Bureau of Land Management, Taos Field Office.

Smith, H. (2021) Cultural Resource Survey of Areas Associated with a Hot Spring Geothermal Feature in Socorro County, New Mexico. Report Submitted to the New Mexico Bureau of Land Management, Socorro Field Office.

Goebel, T., and **H. Smith** (2011) Report of 2010 Archaeological Field Research at BEN-192, the Fluted-Point Locality near Serpentine Hot Springs, Bering Land Bridge National Preserve, Alaska. Report Submitted to the National Park Service, Alaska Region. Anchorage.

Smith, H. (due September 2022) Report of 2017-2021 Survey and Mapping of San Ysidro Rockshelter. Report in preparation for submission to the New Mexico Bureau of Land Management, Albuquerque Field Office.

Refereed Manuscripts in Review

H. Smith, T. Jennings, and A. Smallwood. Do Early Paleoindian Point Blades Carry Culturally Significant Shape Information? Modules versus Complete Points using Geometric Morphometrics. Paper submitted to *Journal of Archaeological Science: Reports*.

Jennings, T., A. Smallwood, and **H. Smith**. Comparing the Dalton Homeland: A 3D Geometric Morphometric Analysis of Bevelled Projectile Points. Paper submitted to *American Antiquity*.

Refereed Manuscripts in Preparation

Smith, H. Presenting the Lithic Assemblage from Serpentine Hot Springs, Alaska: Early Technological Organization at an Arctic Fluted-Point Site. Paper in preparation for submission to *Arctic*.

Smith, H., and L. DePietro. A Spatial Analysis of the Fluted-point assemblage from Serpentine Hot Springs, Alaska. Paper in preparation for submission to *Geoarchaeology*.

Jennings, T., A. Smallwood, and **H. Smith**. Investigating the Morphological Variation of Endthinning Scars on Paleoindian Bifacial Projectile Point Morphologies Using Geometric Morphometrics. Paper in preparation for submission to *PLOS ONE*.

H. Smith, A. Smallwood, and T. Jennings. Investigating the third dimension in 3D Geometric Morphometrics. Paper invited to an edited volume.

Grants invited to revise and resubmit

2019 Smallwood, A., T. Jennings, and **H. Smith**. Investigating Dalton Origins and Cultural Connections at the End of the Ice Age in the Eastern Woodlands of North America. Proposal undergoing revisions for invitation to resubmit to the *National Science Foundation*, \$253,610

Grants and Scholarships Awarded

2020 Research Enhancement Program, Texas State University, \$8,000

2020 BLM-New Mexico, San Ysidro Rockshelter and Artifact Preservation, Protection and Study, \$37,503

2018 Eastern New Mexico University Faculty Research and Institutional Development Grant to conduct Survey of Hot-spring Geothermal Features Project, \$4,992

2018 Eastern New Mexico University Equipment Renewal and Replacement Grant to purchase 3D printer, \$6,885

2017 BLM-New Mexico, San Ysidro Rockshelter and Artifact Preservation, Protection and Study, \$29,820

2017 Eastern New Mexico University Equipment Renewal and Replacement Grant to purchase 3D scanner, \$5,934

2014 Texas A&M University Dissertation Fellowship, \$20,265

2012 National Science Foundation Doctoral Dissertation Improvement Grant, \$19,644

2015 Texas A&M Department of Anthropology Travel Grant to attend the 80th Annual Meeting of the Society for American Archaeology, San Francisco, California, \$700

2014 Texas A&M Department of Anthropology Travel Grant to attend the 42nd Annual Meeting of the Alaskan Anthropological Association, Anchorage, Alaska, \$845

2014 Texas A&M University Liberal Arts Department Professional Development Fund Award to attend the Transmitting Science Geometric Morphometrics Workshop in Barcelona, Spain, \$2,602

2014 Texas A&M Department of Anthropology Travel Grant to attend the 41st Annual Meeting of the Alaskan Anthropological Association, Fairbanks, Alaska, \$1,000

2013 Texas A&M University Liberal Arts Department Professional Development Fund, \$160

2013 Texas A&M Department of Anthropology Student Academic Scholarship, Texas A&M University, \$1,000

2013 Center for the Study of the First Americans Student Academic Scholarship, Texas A&M University, \$1,000

2013 Texas A&M Department of Anthropology Research Grant to conduct Lithic Analysis at the Canadian Museum of Civilization, Gatineau, Quebec, \$500

2013 Texas A&M Department of Anthropology Travel Grant to attend the 40th Annual Meeting of the Alaskan Anthropological Association, Anchorage, Alaska, \$200

2012 Texas A&M University Liberal Arts Department Professional Development Fund Award to participate in the Kovrizhka Archaeological program at Mamakan, East Siberia, Irkutsk State University, Irkutsk, Russia, \$3,224

2012 Department of Anthropology Travel Grant to attend Annual Meeting of the Society for American Archaeology, Memphis, Tennessee, \$200

2011 Roy J. Shlemon Student Field Geoarchaeology Fund Award, \$5,000

2011 Center for the Study of the First Americans Student Academic Scholarship, Texas A&M University, \$1,000

2011 Texas A&M Department of Anthropology Travel Grant to attend Annual Meeting of the Society for American Archaeology, Sacramento, California, \$350

2010 Texas A&M Department of Anthropology Travel Grant to attend Annual Meeting of the Society for American Archaeology, St. Louis, Missouri, \$350

2009 Texas A&M Department of Anthropology Travel Grant to attend Annual Meeting of the Society for American Archaeology, Atlanta, Georgia, \$500

2007 Texas A&M University Regent's Graduate Fellowship, \$6,000

University Teaching Experience

Instructor of Record:

Texas State University, Department of Anthropology

ANTH 3318/5318: Texas Archaeology

ANTH 3308: CRM Archaeology

ANTH 5313: Archaeology Seminar

Eastern New Mexico University, Department of Anthropology and Applied Archaeology

ANTH 245: Introduction to Archaeology

ANTH 245L: Archaeology Laboratory Methods

ANTH 503: Geographic Information Systems (GIS)

ANTH 410: Introduction to Geographic Information Systems (GIS)

ANTH 520/320: Lithic Artifact Analysis

ANTH 550/495: Fundamentals of Archaeological Theory

ANTH 513/413: Hunter-Gatherer Archaeology

ANTH 519: Graphics for Research

ANTH 482/482L: Field School in Archaeology

ANTH 587: Principles of Geoarchaeology

ANTH 365: Archaeology of North America

ANTH 340: Native Cultures of North America

ANTH 506: Applied Data Analysis (Quantitative Techniques for Anthropology)

Texas A&M University, Department of Anthropology

ANTH 447: Lithic Artifact Analysis

ANTH 202: Introduction to Archaeology

ANTH 330: Archaeological Field School

ANTH 205: Peoples and Cultures of the World

Students Supervised

2017–2020 Joseph McConnell, Eastern New Mexico University (M.A. committee chair)

2017–2020 Michael Jeu, Eastern New Mexico University (M.A. committee chair)

2016–2019 Nathan Shelley, Eastern New Mexico University (M.A. committee chair)

2017–2019 Coyle Singletary, Eastern New Mexico University (M.A. committee chair)

2018–present Taylor McCoy, Eastern New Mexico University (M.A. committee member)

2018–present Faxiu Meng, Eastern New Mexico University (M.A. committee member)

2016–present Erick Martinez, Eastern New Mexico University (M.A. committee member)

2016–present Lincoln Harschip, Eastern New Mexico University (M.A. committee member)

2016–2020 Tawnya Waggle, Eastern New Mexico University (M.A. committee member)

2016–2019 Donald Purdon, Eastern New Mexico University (M.A. committee member)

2016–2019 Christine Gilbertson, Eastern New Mexico University (M.A. committee member)

2016–2018 Jasmine Kidwell, Eastern New Mexico University (M.A. committee member)

2016–2018 Michael Merritt, Eastern New Mexico University (M.A. committee member)

2016–2018 Paul Spence, Eastern New Mexico University (M.A. committee member)

- 2016–2017 Patricia Byers, Eastern New Mexico University (M.A. committee member)
2016–2017 Lisa Sparks, Eastern New Mexico University (M.A. committee member)
2016–2017 Leon Natker, Eastern New Mexico University (M.A. committee member)

Professional Service and Outreach

- Member of The SAA Fred Plog Memorial Fellowship committee
- Department Chair, Department of Anthropology and Applied Archaeology, Eastern New Mexico University, 2019-2020.
- Graduate Coordinator, Department of Anthropology and Applied Archaeology, Eastern New Mexico University, 2018-2020.
- ENMU College of Liberal Arts and Sciences Student Recruitment and Retention Committee member
- Faculty co-sponsor of the ENMU Student Anthropology Club.
- Co-Organizer Annual Atlatl Competition, Blackwater Draw Locality 1 Site and Curation facility and Eastern New Mexico University, Department of Anthropology and Applied Archaeology.
- Co-Organized “Flintknapping Demonstration with Eugene Gryba” at the 76th Conference of the Plains Anthropological Society, San Antonio, TX.
- Co-Organized Symposium: *Papers on Environmental Archaeology*, Annual Meeting of the Alaska Anthropological Association, 2015.
- Co-Organized Workshop: *Flintknapping*, Annual Meeting of the Alaska Anthropological Association, 2015.
- Student Mentor: CSFA Mentor in GIS modeling, 2015.
- Co-Organized Flintknapping workshop, Texas A&M University: “Gig-em Week”, undergraduate orientation, 2015.
- Co-Organized, Texas A&M University, Department of Anthropology, “Open House”, 2014.
- Undergraduate Mentor: CSFA Mentor in field methods, Archaeological Field School in the Nenana River valley, Alaska, Department of Anthropology, Texas A&M University, 2012.
- Co-Chair of the Texas A&M University, Anthropology Department’s Women’s Week Committee, 2009-2010.

Invited Lectures

Smith, H (2019) Paleo Points Prove South to North Migration: The Transmission of Stone Projectile-point Technology Across a Continent. Paper presented as part of the Southwest Seminar Series, Santa Fe, New Mexico.

Smith, H (2019) The Late Pleistocene Transmission of Stone Projectile-point Technology Across a Continent: A proxy for human dispersals in the Americas. Paper presented as part of the Eastern New Mexico University Faculty Lectureship Series, Portales, New Mexico.

Smith, H. (2018) Considering Clovis origins: An assessment of the Ice-free Corridor and the spread of Paleoindian technology. Paper presented as part of the 1st Wilson Workshop Series: The

Stemmed Point Tradition of Western North America, Center for the Study of the First Americans—in partnership with the Hakai Institute and University of Victoria, Victoria, British Columbia.

Smith, H. (2018) Southwest Fluted Points and the Peopling of the Americas. Paper presented as part of the Four Corners Lecture Series. San Juan Basin Archaeological Society, Durango, Colorado.

Smith, H., J. Rasic, and T. Goebel (2013) Biface Traditions of Northern Alaska and Their Role in the Peopling of the Americas. Paper presented at the Paleoamerican Odyssey Conference, Santa Fe, New Mexico.

Conference Papers and Posters Presented

Jennings, T., A. Smallwood., **H. Smith**, J. Ray, and D Stephens (2021) Using 3D and 2D Geometric Morphometrics to Analyze Beveling on Bifacial Stone Points. Paper presented at the 38th Kentucky Heritage Council Archaeology Conference. Online.

Smith, H., and B. Asher (2019) Variability in Clovis Biface Morphology from the Type-site, Blackwater Draw Locality 1. Paper presented at the 84th Society for American Archaeology Annual Meeting, Albuquerque, New Mexico.

Asher, B., and **H. Smith** (2019) The Benefits and Challenges of Active Excavations as Tools for Interpretation and Public Outreach: Examples from Blackwater Draw Locality 1. Paper presented at the 84th Society for American Archaeology Annual Meeting, Albuquerque, New Mexico.

Jeu, M., and **H. Smith** (2019) A Spatial Analysis of a Knapper's Replication of Debitage Debris from Hunter-Gatherer Camp and Hunting Sites. Poster presented at the 84th Society for American Archaeology Annual Meeting, Albuquerque, New Mexico.

H. Smith, and T. Goebel (2019) The Fluted-Point Site at Serpentine Hot Springs. Paper presented at the 46th Alaska Anthropological Association Annual Meeting, Nome, Alaska.

Goebel, T., and **H. Smith** (2019) Context and Chronology of Two Early Sites on the Seward Peninsula: Serpentine Hot Springs and Trail Creek Caves. Paper presented at the 46th Alaska Anthropological Association Annual Meeting, Nome, Alaska.

Smith, H., and B. Asher (2018) Diminutive Projectile Points from Blackwater Draw Locality No. 1, Roosevelt County, New Mexico. Poster presented at the 76th Conference of the Plains Anthropological Society, San Antonio, TX.

Asher, B., and **H. Smith** (2018) Clovis Biface Variability at Blackwater Draw Locality 1: A Geometric Morphometric Analysis. Paper presented at the 76th Conference of the Plains Anthropological Society, San Antonio, TX.

Smith, H. (2018) The Manufacture of Northern Fluted Points: A Production Sequence Hypothesis. Paper presented at the 83rd Society for American Archaeology Annual Meeting, Washington D.C.

Domeischel, J., J. Tune, C. Gilbertson, and **H. Smith** (2018) UAV-Based Mapping and Public Outreach at Blackwater Draw. Poster presented at the 83rd Society for American Archaeology Annual Meeting, Washington D.C.

Smith, H. (2017) Human dispersals to the North American Arctic: Variation in late Pleistocene toolstone procurement strategies and lithic technological organization at two ends of the Ice-free Corridor. Paper presented at the 11th International Symposium on Knappable Materials, Buenos Aires, Argentina.

Smith, H. (2017) Fluted-Point Technology and the Nature of Its Transmission in the Western Canadian Ice-Free Corridor. Paper presented at the 82nd Society for American Archaeology Annual Meeting, Vancouver, British Columbia, Canada.

Tune, J., **H. Smith**, and S. Yerka (2017) Younger Dryas Fluted Technologies: A Comparison of Folsom, Cumberland, and Barnes Technologies. Paper presented at the 82nd Society for American Archaeology Annual Meeting, Vancouver, British Columbia, Canada.

Smallwood, A., **H. Smith**, C. Pevny, and T. Jennings (2016) Convergent evolution of serrated point blades in Eastern Woodlands, North America. Paper presented at the 33rd Altenberg Workshop in Theoretical Biology at the Klosterneuburg Institute, Vienna, Austria.

Smith, H. (2016) The Transmission of Fluted-point Technology in the Ice-free Corridor: A Morphological Investigation of Variability in the Region using Geometric Morphometrics. Paper presented at the 49th Canadian Archaeological Association Annual Meeting, Whitehorse, Yukon.

Smith, H. (2015) The Late Pleistocene Transmission of Fluted-Point Technology Across a Continent: A Morphological Investigation. Paper presented at the 80th Society for American Archaeology Annual Meeting, San Francisco, California.

Smith, H. (2015) The Northward Transmission of a Late Pleistocene Technology: Geographical Variation in Fluted Point Morphology. Paper presented at the 42th Alaska Anthropological Association Annual Meeting, Anchorage, Alaska.

Smith, H. (2014) An Investigation of the Origin of Alaskan Fluted Points and the Role of Fluted Point Technology in the Early Settlement of Beringia and the Americas. Paper presented at the 79th Society for American Archaeology Annual Meeting, Austin, Texas.

Smith, H. (2014) The Use of Fluting Technology and Technological Risk in Younger Dryas Beringia. Paper presented at the 41th Alaska Anthropological Association Annual Meeting, Fairbanks, Alaska.

Smith, H. (2013) The Utility of Geometric Morphometric Analysis to Understanding Fluted-Point Variability. Paper presented at the 40th Alaska Anthropological Association Annual Meeting, Anchorage, Alaska.

Smith, H. (2012) Preliminary Analysis of Fluted-Point Technology at Serpentine Hot Springs, Alaska. Poster presented at the 77th Society for American Archaeology Annual Meeting, Memphis, Tennessee.

Smith, H., and T. Goebel (2012) Serpentine Fluted-Point Update: Report on the 2011 Excavations at BEN-192, Seward Peninsula, Alaska. Paper presented at the 39th Alaska Anthropological Association Annual Meeting, Seattle, Washington.

Smith, H., and A. Smallwood (2011) Variability in Clovis Point Shape in North America Using Geometric Morphometrics. Paper presented at the 76th Society for American Archaeology Annual Meeting, Sacramento, California

Younie, A., **H. Smith**, T. Goebel, M. Waters, and K. Graf (2011) The fluted-point locality near Serpentine Hot Springs, Alaska: archaeological investigations during the 2010 field season. Poster presented at the 76th Annual Meeting of the Society for American Archaeology, Sacramento, California.

Smith, H., and T. Goebel (2011) The Fluted Point Assemblage from Serpentine Hot Springs. Paper presented at the 38th Alaska Anthropological Association Annual Meeting, Fairbanks, Alaska.

Smith, H., T. Goebel, and A. Younie (2010) Update of Recent Excavations at the Serpentine Hot Springs Site, BER-192, Bering Land Bridge National Park, Alaska Paper presented at the 18th Arctic Conference at Bryn-Mawr University, Philadelphia, Pennsylvania.

Smith, H., T. DeWitt, and T. Goebel (2010) Digital Shape Analysis of Clovis Projectile Points. Paper presented at the 75th Annual Meeting of the Society for American Archaeology, St. Louis, Missouri.

Smith, H., T. Goebel, S. Slobodin, and M. R. Waters (2009) New Dates from Ushki-1, Kamchatka, Confirm 13,000 cal B.P. Age for Earliest Paleolithic Occupation. Paper presented at the 17th Annual Arctic Conference, Boulder, Colorado.

Conference Symposia Organized

Smith, H., and J. Tune (2018) Fluted Point Technology: Variation Across A Hemisphere. Symposium at the 83rd Society for American Archaeology Annual Meeting, Washington D.C.

Wygall, B, and **H. Smith** (2015) Papers on Environmental Archaeology. Symposium at the 42nd Annual Meetings of the Alaska Anthropological Association, Anchorage, Alaska

Academic Archaeological Field and Laboratory Projects

2019-present Survey: Pre-historic Use of Geothermal Features
Taos/Socorro, New Mexico
Principal Investigator: Heather Smith

2017-present San Ysidro Rockshelter
San Ysidro, New Mexico
Field Director: Heather Smith

6/2019 ENMU Summer Field School: Survey and Excavation in New Mexico,
Socorro, San Ysidro, Blackwater Draw, New Mexico

- Instructor
Principal Investigators: Heather Smith and Brendon Asher, Ph.D. ENMU
- 6/2017 ENMU Summer Field School: Excavation of the Creekside Village Site
Tularosa Basin, New Mexico
Instructor
Principal Investigator: D. Greenwald, Jornada Research Institute
- 7/2014 McDonald Creek Site (2043)
Tanana River Valley, Alaska
Excavation crew
Principal Investigator: T. Goebel, Ph.D., Texas A&M
- 5/2014-7/2014 CSFA Summer Field School: Excavation and survey in the Nenana and
Tanana River Valleys, Alaska
Co-Instructor
Principal Investigator: T. Goebel, Ph.D., Texas A&M
- 7/2012-8/2012 Kovrizhka Site
Bodaibo, Siberia
Excavation Crew
Principal Investigator: A. Teten'kin, Ph.D., Irkutsk State Technical U.
- 6/2012-7/2012 Susitna River Valley, Alaska
Survey and Preliminary Testing Crew
Principal Investigator: J. Blong M.A., Texas A&M
- 7/2011-8/2011 BEN-192, Serpentine Hot Springs Site
Bering Land Bridge National Preserve, Alaska
Excavation Crew Chief
Principal Investigator: T. Goebel, Ph.D., Texas A&M
- 7/2011 Susitna River Valley, Alaska
Survey and Preliminary Testing Crew
Principal Investigator: J. Blong, M.A., Texas A&M
- 6/2011-7/2011 Dry Creek Site
Nenana River Valley, Alaska
Excavation Crew
Principal Investigator: K. Graf, Ph.D., Texas A&M
- 6/2011 Upper Tanana River Valley, Alaska
Survey and Preliminary Testing Crew
Principal Investigator: T. Goebel, Ph.D., Texas A&M
- 7/2010-8/2010 BEN-192, Serpentine Hot Springs Site
Bering Land Bridge National Preserve, Alaska
Excavation Crew Chief
Principal Investigator: T. Goebel, Ph.D. Texas A&M
- 7/2010 Denali National Park
Savage River Valley, Alaska
Survey and Preliminary Testing Crew
Principal Investigator: J. Blong M. A., Texas A&M
- 5/2010-7/2010 Owl Ridge Site
Teklanika River Valley, Alaska

- Excavation Crew
Principal Investigator: K. Graf, Ph.D., Texas A&M
- 8/2009 Ghost Ranch
Abiquiu, New Mexico
Survey and Preliminary Testing Crew
Principal Investigator: C. Crews, M. A., Texas A&M
- 6/2009-7/2009 Owl Ridge Site
Teklanika River Valley, Alaska
Excavation Crew
Principal Investigator: K. Graf, Ph.D., Texas A&M
- 5/2009-6/2009 Debra L. Friedkin Site
Salado, Texas
Excavation Crew
Principal Investigator: M. Waters, Ph.D., Texas A&M
- 6/2008-7/2008 Debra L. Friedkin Site
Salado, Texas
Excavation Crew
Principal Investigator: M. Waters, Ph.D., Texas A&M
- 5/2008-6/2008 Bonneville Estates Rockshelter, Nevada
Excavation Crew
Principal Investigators: T. Goebel, Ph.D. and K. Graf, Ph.D., Texas A&M
- 8/2006-12/2006 41VT141 Laboratory Processing
Inventory and cataloguing of artifacts recovered from the McNeill Ranch Site at Texas Archaeological Research Laboratory
Preliminary lithic analysis
Supervised by M. Bever, Ph.D., University of Texas at Austin
- 6/2006-7/2006 UT Austin Field School
Victoria, Texas
Survey, excavation, mapping, remote sensing and geoarchaeological field techniques at the McNeill Ranch Site (41VT141)
Professor M. Bever, Ph.D., University of Texas at Austin
- 8/2005-11/2005 41LR297 Laboratory Processing
Analyzed macrobotanical remains from the Gene Stallings Ranch Site (41LR297) at Texas Archaeological Research Laboratory
Supervised by L. Bush, Ph.D.
- 7/2005 Texas Archaeological Society Field School
Paris, TX
Participated in excavation of the Gene Stallings Ranch Site (41LR297)
Supervised by P. Mercado-Allinger, Ph.D., State Archaeologist
- 3/2005 THC Archaeological Stewardship Network Investigation in
Lockhart, TX
Survey Crew
Supervised by D. Potter, Ph.D., Texas Historical Commission

Visiting Researcher: Lithic Analysis Conducted at Research Institutions

05/2014	Canadian Museum of Civilization, Gatineau, Quebec, CA 5/4-5/9/2014
04/2013	Frison Institute, University of Wyoming, Laramie, WY 4/22-5/1/2013
03/2013	Bureau of Land Management, Fairbanks, AK, 3/18-3/25/2013
02/2013	University of Western Ontario, London, ON, Canada, 2/17-3/1/2013
02/2013	National Museum of Natural History, Washington D.C., 2/3-2/15/2013
12/2012	Parks Calgary Canada, Calgary, AL, Canada, 12/10-12/16/2012
