

Adventure Trip Program Policies

What's Included

Depending on the trip length and activity, certain things may or may not be included in the cost of registration. Read the trip description on the registration website for specific information.

This may include meals, personal equipment & clothing, transportation, or other expenses.

Pre-Trip Meeting

All overnight trips require a Pre-Trip Meeting. Pre-trip meetings are mandatory for all participants and meet at the Outdoor Center in Sewell Park. Pre-trip meeting dates and times are listed in the trip description and available before registering.

Participants who do not attend the Pre-Trip meeting for the trip they are registered for will forfeit their spot on the trip and will not be eligible for a refund. Exceptions may be made if absence is communicated in advance.

Understanding the Risks

The Adventure Trip Program staff makes every effort to foster an enjoyable experience. Participants will assume the responsibility for many decisions affecting yourself during the activity. However, trip leaders have final authority and will not hesitate to dismiss those (at their personal, financial, expense) whose conduct is detrimental to themselves, the group, or the activity site.

Participants should be aware that outdoor activities can be physically demanding with inherent elements of risk and danger beyond our control. These risks include but are not limited to the potential for accidents or illness while traveling to and from the activity sites, or while participating in activities in rugged mountain, wilderness and river terrain. While we do not assume liability for personal injury or death, every effort is made to minimize these risks.

Cancellations, Refunds & Transfers

Cancellation dates vary for each trip, but is typically the pre-trip and registration deadline date. If a trip does not meet the minimum participation needed, the trip will be cancelled, and refunds will be provided.

Transfers may be made to another available activity at full value if required prior to the cancellation date. No transfers will be granted past the cancellation date. If you are requesting to transfer your funds from an activity that has already filled its roster, you may not be permitted to transfer until your spot can be filled.

Adventure Trip registrations are, in general, non-refundable. If your spot on the roster can be filled, a refund will be processed. If you are unable to participate fully in a trip due to inadequate fitness or undisclosed conditions, your registration fee will not be refunded.
