- Graduate Admissions Report: Dr. Andrea Golato provided the Council with the graduate admissions report.

OFF AGENDA

- Dr. Cynthia Opheim announced that departments/schools would receive adjustments to M&O funding based on the results of the university M&O formula. A total of \$60,000 will also be distributed to deans. In addition, some permanent supplements will be distributed to units that are not in the formula or have had a persistent need.

- Dr. Cynthia Opheim reminded deans that materials for interviewing a faculty applicant should include the matrix.

- The Council discussed actions taken and/or events planned to address the post-election concerns and threats. The Provost ask that any member of the Council report threats or actions against faculty, staff, or students to him, too. He described several actions, e.g., increased foot patrols by UPD officers and security guards, and increasing availability of Bobcat Bobbies service, that have been taken by the university to ensure safety and security on campus.
