Typical Day

Each day begins early, ends late, and is jam packed full of activities in an effort to optimize your student's time with us. Our main goal is that each camper leaves our camp fully prepared on the All-State music and inspired to invest the crucial work into the all-state process. Days start at 7am with breakfast buffets at one of the University dining halls.

Classes, which are 75-90 minutes in length, begin at 8:00am. These classes alternate between sectional rehearsals where students will be separated by voice part in an effort to solidify their accuracy with pitch, rhythm, and musicality and paired with full rehearsals with Texas State choral directors to understand the full scope and philosophy of each piece of music. Students will be trained on proper word stress, dynamic contrast, phrasing, style, and articulation while also improving their fundamental vocal technique through improved breath support, vowel modification, and placement.

In between some of these classes are "Camp Chats" – a fun time where the camp counselors and staff perform a host of hilarious skits and songs, as well as inspiring messages of positivity and perseverance. Evenings include rehearsals and social time. Two of the most popular events are the annual Texas State Choir Camp Talent Show and the Camp Dance.

Our meals will be prepared by the Chartwell's catering service. **If your camper has dietary restrictions (vegan, vegetarian, gluten free, etc.), please notify Chartwell's catering service on campus at 512-245-9930.** Our first meal together will be dinner on Monday, July 6. Our final meal will be breakfast on Thursday, July 9.

Electives are hour long classes that are included in the camp tuition. They are designed as supplemental instruction to the concepts that they are currently learning in their rehearsals as well as providing a much needed hour of vocal rest after hours and hours of non-stop singing. Some classes also provide college preparatory advice, and every course is taught by college professors and camp staff. Every camper must select 1 elective from a “A” sessions and 1 elective from the “B” sessions. Students who do not select an elective will be assigned. If an elective becomes full, spots will be awarded on a first come first serve basis. Students may not switch their electives after registration.

VOICE LESSONS

Voice lessons provide an individual session with a highly-qualified voice instructor that is tailored to the varying strengths and weaknesses of each camper. Voice Lessons are an optional addition to each camper's tuition. You may select either one or two sessions. These voice lessons will take place during the day and students will be escorted by counselors to and from rehearsals. Campers who elect to take a voice lesson must indicate so online. No additional lessons can be purchased at the time of registration. Campers will assigned specific times for each lesson that can vary throughout at the camp. Campers are responsible for leaving a sectional and rehearsal when the assigned Counselor signals for that time slot of voice students to follow him/her. Voice lesson dates and times will be printed on each camper's name badge. Each voice lesson is \$25 for each half hour. Spots are limited and are distributed on a first come first serve basis.

SAFETY AND SECURITY

Student-to-Counselor Ratio

We maintain an approximate 10:1 student-to-counselor ratio, one that significantly surpasses industry standards. Counselors are assigned to the same students throughout the camp, so that they can better know their assigned campers. Students are supervised during all activities, they are required to check-in at regular intervals, and attendance is taken at all classes/rehearsals. Bed checks are performed each evening, and hall monitors will patrol the dormitories during the night. We make every possible effort to ensure your child's safety.

TxState University Police Department

In the unlikely event that an emergency occurs, all counselors and faculty will have access to the [Texas State University Police Department](#). They typically respond within two minutes of a call.

DORMITORIES AND MEALS

Camp participants will be housed in dormitories on the Texas State campus. For all youth camps, roommates will be assigned unless a participant designates a roommate on the registration form. We cannot guarantee all campers will be roomed with the individual he/she requests; however, we do our best to honor all requests. Our Dorm Rooms accommodate TWO campers. Staff will oversee students while in the dormitories, and participants will be required to be in rooms at designated times.

Meals are provided and offer a wide array of food choices for each meal of the day. All meals will be scheduled at regular times throughout the day. On occasion, students will participate in extra meals such as pizza parties or cookouts. Vending machines are available in most buildings outside of scheduled meals.

Please schedule your arrivals and departures to coordinate with camp start and end times. We are unable to host students prior to and following the scheduled camp dates. For more information about dormitory housing during the Summer Music Camps, contact any of our Camp Administrators below.

REGISTRATION

Camp registration will take place on Monday July 6th, 2020 from 9:00am until 12:00pm. The dorms are immediately north of the Edward Gary Parking Garage. Counselors will be outside guiding you to your next location.

You may want to visit the University website for a map of the campus by clicking on the following link: [Texas State University Maps](#).

The amount of time you will spend in the registration line depends upon your prompt attention to the camp registration checklist. **Please be sure to complete and email the medical form to us, if it has not already been done.** Medical forms are available for download by clicking on the following link: [Medical Release Form](#)

Immediately after you register, you will be asked to move into your room. After you have registered, and checked into your room, you will be on your own for lunch. Please be sure to either pack a lunch or bring money to buy lunch. The first session begins at **1:00pm** in the **Performing Arts Center – Patti Strickel Harrison Theatre**. If you must register late on Monday, July 6th or leave camp earlier than noon on Thursday, July 9th please contact the Choir Camp Office **(405) 771-6840** to make the required arrangements.

Registration will take anywhere between 30 minutes to 1 hour depending on the traffic volume. Once you have completed registration which includes checking in, paying any outstanding balances or fees, turning in any remaining forms, signing up for a talent show audition, receiving your room key, t-shirt, and meeting our counseling staff, you will need to take your luggage to your room.

In your room there will be two twin size beds, a desk, a chair, and a closet. *You will need to provide bedding and pillows.* Two rooms are connected by a shared bathroom. We suggest bringing a shower caddy/small gym bag and flip flops for efficient bathroom trips. You will need to provide your own shampoo, conditioner, body soap, towel, and any other personal toiletries. There will be hand soap, paper towels, and toilet paper provided, but it is always a good idea to pack some just in case. **For a full list of items you should bring see page 14.**

We highly suggest that you do not pack anything too valuable since you will be sharing a room with another camper, and there aren't any lockable spaces within each room. We have had a great track record of student responsibility but it is always good to be proactive and wise.

We suggest arriving early so that you have plenty of time to eat lunch and settle into your dorm rooms before the opening ceremonies in **Performing Arts Center – Patti Strickel Harrison Theatre at 1:00pm.**

Lunch that afternoon is on your own, and we highly suggest that our campers eat a big lunch because we will not break for dinner until 6pm.
