4. NLF survey to collect information regarding retirement benefits and other items of interest to NLF. (Amy, Dan, Shannon) – survey is being finalized and will be sent in April (due to the fact there are numerous surveys being sent out at this time). Alex White has arranged for someone to enter survey in Qualtrics. We will send out our survey to faculty in April. Kay and Amy met to revisit question 23 of our survey. The proposed new language for this question: *I experience discomfort at Texas State due to my sex?* All agreed.

5. NLF Initiatives at other universities (Janet)
   a. Discussion with Mark Clarke, University of Houston Associate Provost: UPDATE from Janet: NLF at UH are identified as Non Tenure Track (NTT) faculty (Instruction, Clinical and Practice). It parallels tenure track faculty. Vetting of all faculty hires occur through Faculty Affairs. All faculty, Deans, etc. are involved in hiring NTT faculty. The university created a renewable employment agreement for 3 years for NTT faculty. It locks faculty salary, and annual reviews of NTT faculty determine continued employment. It gives NTT faculty more security. Other language they use include promotion eligible, or faculty could stay in a non-promotion position. Salaries have aligned with the new positions/promotions. NTT faculty do receive a $3,000-$5,000 bump in pay when they are promoted from Assistant to Associate. The tenure and NTT ‘time clock’ is the same. In order to adopt this type of process, we need to organize a few members to develop the policy and promotion opportunities. We would meet with Dr. Thorne prior to sending our proposal. The sub-committee will meet the summer of 2019 to plan and propose criteria for a NLF promotion system. UH has created professional development opportunities for NTT. Review of NTT’s occur every three years and a professional portfolio is submitted by NTT after completing their six-year probationary period. **Sub-Committee members to work on developing a NLF promotion system:** Janet Bezner, Suzy O’Kere, Gloria Velásquez, Matt Bower, Amy Meeks, Wendi David, and Kay Newling. Janet will contact Dr. Thorne to set a time to visit with her concerning this initiative.

**Meeting adjourned at 3:00 PM.**

Respectfully Submitted,
