College of Science and Engineering

- Biology
- Chemistry & Biochemistry
- Computer Science
- Engineering

- Engineering Technology (Includes CSM & CIM)
- Mathematics
- Physics
You will now want to log in to Catsweb Self-Service to review your transcripts and degree audit.

To view your degree audit:
1. Go to the Texas State University homepage and click either “Info for” and then “Current Students” or just “Current Students” in the top right.
2. Click on “Catsweb”
3. Select the “TXST Self-Service Login” button in the middle of the screen
4. Login with your NetID and password
5. Once in Self-Service, select “Student” and then “Degree Audit”

Now your degree audit should show all of your transfer coursework along with your degree requirements at Texas State. Take a second to look it over and ensure that your coursework is there.

If you are missing coursework but already sent in your official transcript, it can take up to 6 weeks for the coursework to be evaluated.
Find and review your “Degree Audit”

Is anything missing?

Last semester’s coursework?

Dual Credit coursework?

AP test scores?

Please take note of what is missing for your advising appointment.
GRADUATION REQUIREMENTS

- General Education Core
- Major Requirements
- Minor Requirements
- Graduation Requirements:
  - 36 Advanced Credits
  - 9 Writing Intensive (WI) Hours
  - Residency Requirement
  - Minimum GPA (Institution, Major, Minor)

Please click on the links in the slide to review more information.
TEXAS STATE POLICIES
If your institutional (Texas State) GPA falls below 2.00 during a fall or spring semester, you’ll be placed on Academic Probation. Your Texas State GPA includes only the classes you have taken at Texas State; transfer coursework does not count towards this GPA.

If you don’t raise your institutional GPA above 2.00 by the end of two long semesters, you’ll be placed on Academic Suspension.

For more information:
https://www.cose.txstate.edu/advising/gradesandaids/probation.html
SATISFACTORY ACADEMIC PROGRESS

Financial Aid Eligibility is determined by 3 criteria referred to as SAP Requirements:

Institutional (Texas State) GPA – must be at least a 2.00
Course Completion Rate – must be at least 67%
Overall Attempted Hours – must be under 180 overall hours

For more information:
https://www.finaid.txstate.edu/undergraduate/maintain.html
This is the **Courses Counting Towards Degree (CCTD)** Financial Aid policy.

To be eligible for Financial Aid, your courses must satisfy a degree requirement.

For more information: [https://www.finaid.txstate.edu/undergraduate/recfa.html](https://www.finaid.txstate.edu/undergraduate/recfa.html)
THIRD ATTEMPT POLICY

You’ll be charged non-resident tuition for your third and subsequent attempts at any given course.

Ws count as attempts.

For more information:
https://www.sbs.txstate.edu/billing/course-repeats.html
EXCESSIVE HOURS

When you exceed 30 hours over the minimum number of hours required for your degree, you could be charged non-resident tuition.

For more information:

IMPORTANT INFORMATION

PLEASE READ THROUGH THE SLIDES PRIOR TO YOUR ADVISING APPOINTMENT
IF YOU BELIEVE YOU HAVE ALREADY TAKEN A CLASS THAT WE RECOMMEND, LET US KNOW!

We don’t want you to repeat any courses unnecessarily
IF YOU HAVE EXTERNAL COMMITMENTS WHICH NEED A LIGHTER COURSE LOAD, LET US KNOW!

This includes family, job, or extracurriculars.
FOR SCHEDULING, BE FLEXIBLE!
IT’S POSSIBLE THAT OVER 35,000 STUDENTS HAVE ALREADY REGISTERED FOR COURSES

When registering, look for a good schedule not the perfect ideal schedule
