Le Cercle Français

The French Club is open to all students of all levels interested in French language, history and culture. It provides interesting presentations on everything French and help to students who may need help in their French language studies. Practice in the language and exploration in the culture is developed through conversation and presentations: Venez!

For French students, the club also provides extra credit opportunities. Meetings are weekly and on campus (via Zoom) on Thursdays (le jeudi), 5:00p or in CENT hall 215 F2F. https://www.facebook.com/lecercletxst/
