SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

1.1 GENERAL INFORMATION: The Texas State University System (“TSUS”, or “Owner”) on behalf of Lamar Institute of Technology is soliciting Statements of Qualifications (“Qualifications”) for the selection of a firm to provide Indefinite Delivery-Indefinite Quantity (“IDIQ”) Architectural/Engineering (“A/E”) services for planning, design, renovation and new construction of projects for Lamar Institute of Technology, Beaumont, Texas (“Component”) on an hourly fee or lump sum basis as needed by the Component. Expected required services include, but are not limited to, pre-project planning, cost estimating, programming, design, construction document preparation, bidding assistance, and construction phase administration, or any other service that is beneficial in the delivery of facilities. The A/E will render these services to the Component as needed, with no minimum or maximum amount of services specified. In particular, the A/E must be prepared to assign at least one person with significant project planning and management experience to be available as the point of contact for all efforts at the Component institution. An Agreement with the selected firm(s) will be issued as an indefinite quantity Agreement with a 2-year initial term and an option for the Owner to extend the contract for three (3) additional 1-year terms. The total value of the Contract term shall not exceed Three Million Five Hundred Thousand Dollars ($3,500,000) for the total life of the contract. This solicitation sets forth the terms, conditions, and requirements for prospective A/Es to be considered for this work. (Prospective A/Es are hereinafter referred to as “Respondents”).

1.1.1 Collecting Qualifications in response to this Request for Qualifications (“RFQ”) is the first step in selecting the A/E(s). This RFQ provides the information necessary for Respondents to prepare and submit Qualifications for consideration and initial ranking by the Owner. In the next step the Owner will determine an initial ranking of the Respondents. If the initial ranking of the Respondents is reasonably conclusive, the Owner may make a “most qualified” selection based upon the written Qualifications only. If not, then the Owner may conduct interviews with a “short list” of Respondents.

1.1.2 The Owner may select up to four (4) of the top ranked qualified Respondents to participate in an interview with the Owner to confirm and clarify the Qualifications submitted and to answer additional questions. The Owner will then rank the interviewed Respondents in order to determine the most qualified Respondent(s).

1.1.3 After selecting the most qualified Respondent(s) the Owner will negotiate the services to be provided by the A/E and a suitable fee schedule for those services.

1.2 PUBLIC INFORMATION: All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (Texas Government Code, Chapter 552.001, et seq.) after the solicitation is completed. The Owner complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information. Additionally, pursuant to the provisions of Texas Government Code Section 2261.253, the contract resulting from this solicitation will be posted on the Owner’s website.
1.3 **TYPE OF CONTRACT:** Any contract resulting from this solicitation will be in the form of the Owner’s Standard Indefinite Quantity Professional Services Agreement, a copy of which will be provided to all firms selected for interviews or, in the case where no interviews are conducted, to the selected most qualified Respondent(s).

1.4 **CLARIFICATIONS AND INTERPRETATIONS:** Discrepancies, omissions or doubts as to the meaning of RFQ documents shall be communicated in writing to the Owner for interpretation. Any responses to inquiries, clarifications or interpretations of this RFQ that materially affect or change its requirements will be posted by the Owner as a written addendum. All such addenda issued by the Owner before the proposals are due become part of the RFQ. Respondents shall acknowledge receipt of and incorporate each addendum in its Qualifications. Respondents shall be required to consider only those clarifications and interpretations that the Owner issues by addenda. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Qualifications. It is the responsibility of all Respondents to check the status of formal addenda five (5) calendar days before the submittal deadline. The deadline for the receipt of written questions and submittal deadline is stated in Section 2.4.

1.4.1 **ADDENDA AND AWARD INFORMATION, WILL BE ISSUED BY THE OWNER FOR THIS RFQ VIA THE ELECTRONIC BUSINESS DAILY WEBSITE AT THE FOLLOWING LINK:** [http://www.txsmartbuy.com/sp](http://www.txsmartbuy.com/sp) REFERENCE “BOARD OF REGENTS/TEXAS STATE UNIVERSITY SYSTEM – 758” AND THE RFQ NUMBER PROVIDED IN THIS SOLICITATION.

1.7 EVALUATION OF QUALIFICATIONS: The evaluation of the Qualifications shall be based on the requirements described in this RFQ. All properly submitted Qualifications will be reviewed, evaluated, and ranked by a Selection Committee appointed by the Component as approved by the President or his designee. The top four (4) or fewer ranked Respondents may be selected by the Owner for further consideration by participating in an interview wherein Qualifications will be presented and examined in further detail and where questions will be posed by the Selection Committee and answered by the Respondent.

1.7.1 Qualifications submittals shall not include any information regarding Respondent’s proposed fees, pricing, or other compensation considerations as these will not be a factor in the selection of the most qualified Respondent(s).

1.8 OWNER’S RESERVATION OF RIGHTS: The Owner may evaluate the Qualifications based on the anticipated completion of all or any portion of a project. The Owner reserves the right to divide projects into multiple parts, to reject any and all Qualifications and re-solicit for new Qualifications, or to reject any and all submissions and temporarily or permanently abandon the solicitation. Owner makes no representations, written or oral, that it will enter into any form of agreement with
any Respondent to this RFQ for any project and no such representation is intended or should be construed by the issuance of this RFQ.

1.9 **ACCEPTANCE OF EVALUATION METHODOLOGY:** By submitting its Qualifications in response to this RFQ, Respondent accepts the evaluation process and acknowledges and accepts that determination of the “most qualified” Respondent(s) will require subjective judgments by the Owner. Determinations by the Selection Committee will be subject to routine administrative review by the Owner’s executive officers but, once a selection is announced, it will not be subject to further review.

1.10 **NO REIMBURSEMENT FOR COSTS:** Respondent acknowledges and accepts that any costs incurred from the Respondent’s participation in this RFQ process shall be at the sole risk and responsibility of the Respondent.

1.11 **PRE-SUBMITTAL CONFERENCE:** There will be no pre-submittal conference conducted for this selection process.

1.12 **ELIGIBLE RESPONDENTS:** Only individual firms or lawfully formed business organizations may apply (This does not preclude a Respondent from using consultants.) The Owner will contract only with the individual firm or formal organization that submits a Qualification.

1.13 **HISTORICALLY UNDERUTILIZED BUSINESSES’ SUBMITTAL REQUIREMENTS:** It is the policy of the Owner and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (“HUBs”) in all contracts. Accordingly, specific plans and representations by Respondents that appear to facilitate the State’s commitment to supporting HUB enterprises are required in the selection process. **Failure to submit specific plans and representations regarding HUB utilization, and failure to address the subject at all, will be interpreted by the Selection Committee as an intention to not support the program and will disqualify the Respondent.** HUB Subcontracting Plan (“HSP”) is required as a part of the Respondent's Qualifications.

1.13.1 The HSP information may be downloaded from the Texas State Comptroller’s website at the following URL link: [https://comptroller.texas.gov/purchasing/vendor/hub/forms.php](https://comptroller.texas.gov/purchasing/vendor/hub/forms.php)

If a state agency determines that an individual or business entity holding a state contract was ineligible to have the contract accepted or awarded as described above, the state agency may immediately terminate the contract without further obligation to the vendor. This section does not create a cause of action to contest a proposal or award of a state contract.

1.15 **SALES AND USE TAXES:** Section 151.311, *Texas Tax Code*, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include the Owner. The section further permits the purchase tax-free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is “necessary and essential for the performance of the contract” and
"completely consumed at the job site." In addition, the section permits the purchase tax-free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if "the contract expressly requires the specific service to be provided or purchased by the person performing the contract" or "the service is integral to the performance of the contract."

1.16 **CERTIFICATION OF FRANCHISE TAX STATUS:** Respondents are advised that the successful Respondent will be required to submit certification of franchise tax status as required by State Law (Texas Tax Code Chapter 171). The contractor agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.

An entity is defined as a sole proprietorship, firm, partnership, corporation, or joint stock association.

1.20 **NON-DISCRIMINATION:** In their execution of this agreement, Respondent, consultants, their respective employees, and others acting by or through them shall comply with all federal and state policies and laws prohibiting discrimination, harassment, and sexual misconduct. Any breach of this covenant may result in termination of this agreement.

1.21 **NON-BOYCOTT VERIFICATION:** Pursuant to Section 2270.002 of the Texas Government Code, Respondent certifies that either (i) it meets an exemption criterion under Section 2270.002; or (ii) it does not boycott Israel and will not boycott Israel during the term of the contract resulting from this solicitation. 1. **Question:** What is the HUB participation goal for this RFQ?

   **Answer:** If needed, a separate solicitation will occur for these services. They are not included in this RFQ.

3. **Question:** Please provide a list of IDEQ firms who either have served in this capacity in the past ones who have expressed an interest in this proposed IDIQ project that would also be eligible for performing this work.  
   **Answer:** Lamar Institute of Technology does not have any past contracts with A/E firms for Indefinite Delivery Indefinite Quantity services. This is a new Request for Qualifications.

   **Answer:** Lamar Institute of Technology may select multiple firms and its sole option.

5. **Question:** What firms previously held this contract?  
   **Answer:** Lamar Institute of Technology does not have any past contracts with A/E firms for Indefinite Delivery Indefinite Quantity services.

6. **Question:** Is it possible to summit for this RFQ for programming services only?  
   **Answer:** Programming and space planning are among the services that an IDIQ A/E may be asked to perform, however, the contract will not be limited to solely such services.

7. **Question:** Is the intent to award more than one contract to firms for the performance of the work, or will this be a single award to only one prime firm?  
   **Answer:** See reply to Question No. 4.

8. **Question:** For each IDIQ relationship we are submitting, should we select a representative project completed under the IDIQ agreement and answer for that project alone?  
   **Answer:** Refer to the specific requirements under Section 3.4.1.
9. **Question:** If we are to answer for the IDIQ relationship as a whole, is there an example of how this should be formatted or calculated?  
**Answer:** See reply to Question No. 9.

10. **Question:** Criterion 2, 3.2.4, do you want this information from the subconsultants as well?

**Answer:** Follow the Comptroller’s instructions on preparation of the HUB Subcontracting Plan by following the link under Section 1.13.1.

13. **Question:** Would it possible to submit this (HUB Commitment Letter) in lieu of an HSP plan for the RFQ submission?  
**Answer:** No.

14. **Question:** Since we know some (but not all) scopes of work that could be a part of this contract, has it been considered that each consultant (Architect, MEP, Civil, Structural, etc.) submit separate RFQ responses and let the Owner select the firms they want to be part of this contract?  
**Answer:** Lamar Institute of Technology is seeking firms who are able to provide a full range of Architectural/Engineering services as a given project at an institution of higher education may require.

15. **Question:** Since the scope for the potential IDIQ projects remains to be determined, how would you like us to complete the required HUB Subcontracting Plan? Example: leave percentages for subconsultants blank or complete a sample plan (would need scope assumptions)?  
**Answer:** Refer to the Comptroller’s instructions on completing the Section 1.13 Follow the instructions for completing the HUB Subcontracting Plan including identifying “...the percentages of the contract you expect to award to Texas certified HUBs, and the percentage of the contract you expect to award to vendors that are not a Texas certified HUB.”.

16. **Question:** Does the Owner follow the Texas Comptroller HUB goal of 23.7% for professional services or does the Owner have another specific goal they would like the submitting firm to achieve?  
**Answer:** See reply to Question No. 1.

17. **Question:** I am reviewing this RFQ and want to verify whether each response shall include full architectural and engineering services (a team response where architects and various engineering disciplines submit together) or if the system is looking for responses from individual architecture and engineering firms (such that the system will select
qualified firms/disciplines as needed for each project involved in the IDIQ period)?

Answer: See reply to Question No. 14.
