SUBJ: S.R.S. 2013-2014/4 "A Resolution Supporting the Collegiate Housing and Infrastructure Act"

I received this legislation late June to support Congressional passage of the Collegiate Housing and Infrastructure Act for safer student housing. Texas State University cannot be in a position to influence the results of a Congressional act. As a representative body of the students at Texas State, Student Government has the option of forwarding legislation to your congressional representatives with the understanding that the opinions of Student Government does not represent any viewpoints or official position of Texas State University on the matter(s) being addressed.
