SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

1.1 GENERAL INFORMATION: The Texas State University System (“Owner”), on behalf of Sam Houston State University, is soliciting Statements of Qualifications (“Qualifications”) for the selection of an Architect/Engineer (“A/E”) firm for design of the Mafrige Field House Renovation project (“Project”) on the Huntsville, Texas campus, in accordance with the terms, conditions, and requirements set forth in this Request for Qualifications (“RFQ”). Prospective A/E firms are hereinafter referred to as “Respondents”.

1.1.1 Collecting Qualifications in response to this RFQ is the first step in selecting an A/E firm. This RFQ provides the information necessary for Respondents to prepare and submit Qualifications for consideration by the Owner. In the next step the Owner will determine an initial ranking of the Respondents. If the initial ranking of the Respondents is reasonably conclusive, the Owner may make a “most qualified” selection based upon the written Qualifications only. If not, then the Owner may conduct interviews with a “short list” of Respondents.

1.1.2 The Owner may select up to five (5) of the top ranked qualified Respondents to participate in an interview with the Owner to confirm and clarify the Qualifications submitted and to answer additional questions. The Owner will then rank the interviewed Respondents in order to determine a single most qualified Respondent.

1.1.3 After selecting the most qualified Respondent the Owner will negotiate the detailed professional services to be provided by the A/E and a suitable fee for those services. The Owner will request a fee proposal from the most qualified Respondent, with supporting information demonstrating that the requested fee is justified by the level of effort (and related personnel costs) required to provide the services necessary for the design of the Project. Potential Respondents should be aware that, except in unusual cases, the Owner does not consider billable time incurred while traveling to and from the Project site, Owner’s offices, or Board of Regents meetings, as necessary to the completion of the Project. Potential Respondents whose offices are located where such time-consuming travel will be regularly required in the performance of services for the Project, should consider this policy when deciding whether or not to submit their Qualifications.

1.2 PUBLIC INFORMATION: All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (Texas Government Code, Chapter 552.001, et seq.) after the solicitation is completed. The Owner complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information. Additionally, pursuant to the provisions of Texas Government Code Section 2261.253, the contract resulting from this solicitation may be posted on the Owner’s website.

1.3 TYPE OF CONTRACT: Any contract resulting from this solicitation will be in the form of the Owner’s Standard Architect/Engineer Agreement, a copy of which will be provided to all
Respondents selected for interviews or, in the case where no interviews are conducted, to the selected most qualified Respondent.

1.4 CLARIFICATIONS AND INTERPRETATIONS: Discrepancies, omissions or doubts as to the meaning of RFQ documents shall be communicated in writing to the Owner for interpretation. Any responses to inquiries, clarifications or interpretations of this RFQ that materially affect or change its requirements will be posted by the Owner as written addendum. All such addenda issued by the Owner before the proposals are due, become part of the RFQ. Respondents shall acknowledge receipt of and incorporate each addendum in its Qualifications. Respondents shall be required to consider only those clarifications and interpretations that the Owner issues by addenda. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Qualifications. It is the responsibility of all Respondents to check the status of formal addenda five (5) days prior to the submittal deadline. The deadline for the receipt of written questions and submittal deadline is stated in Section 2.5.

1.4.1 ADDENDA AND AWARD INFORMATION, WILL BE ISSUED BY THE OWNER FOR THIS RFQ VIA THE ELECTRONIC BUSINESS DAILY WEBSITE AT THE FOLLOWING LINK: http://www.txsmartbuy.com/sp REFERENCE “BOARD OF REGENTS/TEXAS STATE UNIVERSITY SYSTEMS – 758” AND THE RFQ NUMBER PROVIDED IN THIS RFQ.

1.5 SUBMISSION OF QUALIFICATIONS:

1.5.1 The Qualifications must be received at the address specified in Section 1.5.2 prior to the date and time deadline. Please note that overnight deliveries such as FedEx and UPS arrive at a central campus location but are not usually delivered to the specified location until after the time deadline. Respondents are advised to use other methods of delivery or, if using an overnight delivery service, to send the Qualifications a day earlier than usual. The Owner will not consider any response to this solicitation that is not received at the address specified by the deadline, regardless of whether it has been received by the University.

1.5.2 DEADLINE AND LOCATION: The Owner will receive Qualifications and HSP Plans for RFQ No. 758-20-06064 at the time and location described below.

1.7 EVALUATION OF QUALIFICATIONS: The evaluation of the Qualifications shall be based on the requirements described in this RFQ. All properly submitted Qualifications will be reviewed, evaluated, and ranked by a Selection Committee appointed by the President of Sam Houston State University. Typically, that committee will include both future users of the facilities developed by the Project and facilities professionals, as well as representation from Texas State University System Administration. The top five (5) or fewer ranked Respondents may be selected by the Owner for further consideration by participating in an interview wherein Qualifications will be presented and examined in further detail and where questions will be posed by the Selection Committee and answered by the Respondent.

1.7.1 Qualifications submittals should not include any information regarding Respondent’s proposed fees, pricing, or other compensation considerations as these will not be a factor in the selection of the most qualified Respondent.

1.8 OWNER’S RESERVATION OF RIGHTS: The Owner may evaluate the Qualifications based on the anticipated completion of all or any portion of the Project. The Owner reserves the right to divide the Project into multiple parts, to reject any and all Qualifications and re-solicit for new Qualifications, or to reject any and all submissions and temporarily or permanently abandon the Project. Owner makes no representations, written or oral, that it will enter into any form of agreement with any Respondent to this RFQ for any project and no such representation is intended or should be construed by the issuance of this RFQ.
1.9 **NON-BOYCOTT VERIFICATION**: Pursuant to Section 2270.002 of the *Texas Government Code*, Respondent certifies that either (i) it meets an exemption criteria under Section 2270.002; or (ii) it does not boycott Israel and will not boycott Israel during the term of the contract resulting from this solicitation. Respondent shall state any facts that make it exempt from the boycott certification in its response.

1.10 **CYBERSECURITY TRAINING PROGRAM**: Pursuant to Section 2054.5192, *Texas Government Code*, A/E and its consultants, officers, and employees must complete a cybersecurity training program certified under Section 2054.519, *Texas Government Code* as selected by the Owner. The cybersecurity training program must be completed by A/E and its consultants, officers, and employees during the term and any renewal period of this Agreement. A/E shall verify in writing completion of the program to the Owner within the first thirty (30) calendar days of the term and any renewal period of this Agreement.

1.11 **ACCEPTANCE OF EVALUATION METHODOLOGY**: By submitting its Qualifications in response to this RFQ, Respondent accepts the evaluation process and acknowledges and accepts that determination of the “most qualified” firm(s) will require subjective judgments by the Owner. Determinations by the Selection Committee will be subject to routine administrative review by the Owner’s executive officers but, once a selection is announced, it will not be subject to further review.

1.12 **NO REIMBURSEMENT FOR COSTS**: Respondent acknowledges and accepts that any costs incurred from the Respondent’s participation in this RFQ shall be at the sole risk and responsibility of the Respondent.

1.13 **MANDATORY PRE-SUBMITTAL CONFERENCE**: A mandatory pre-submittal conference is scheduled for:

1.14 **ELIGIBLE RESPONDENTS**: Only individual firms or lawfully formed business organizations may apply (this does not preclude a Respondent from using consultants.) The Owner will contract only with the individual firm or formal organization that submits a Qualification.

1.15 **HISTORICALLY UNDERUTILIZED BUSINESSES’ SUBMITTAL REQUIREMENTS**: It is the policy of the Owner and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (“HUB”) in all contracts. Accordingly, specific plans and representations by Respondents that appear to facilitate the State’s commitment to supporting HUB enterprises will be favorably considered in the selection process. Failure to submit specific plans and representations regarding HUB utilization, or failure to address the subject at all, will be interpreted by the Selection Committee as an intention not to support the program.
1.15.2 STATEMENT OF PROBABILITY: The Owner has determined that subcontracting opportunities are probable in connection with this procurement solicitation. Therefore, a HUB Subcontracting Plan (“HSP”) is required as a part of the Respondent's Qualifications.

1.15.3 The HSP information may be downloaded from the Texas State Comptroller’s website at the following URL link: https://comptroller.texas.gov/purchasing/vendor/hub/forms.php

1.16 CERTAIN PROPOSALS AND CONTRACTS PROHIBITED: Under Section 2155.004, Texas Government Code, a state agency may not accept a proposal or award a contract that includes proposed financial participation by a person who received compensation from the agency to participate in preparing the specifications or request for proposals on which the proposal or contract is based. All vendors must certify their eligibility by acknowledging the following statement, "Under Section 2155.004, Government Code, the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate." If a state agency determines that an individual or business entity holding a state contract was ineligible to have the contract accepted or awarded as described above, the state agency may immediately terminate the contract without further obligation to the vendor. This section does not create a cause of action to contest a proposal or award of a state contract.

1.17 SALES AND USE TAXES: Section 151.311, Texas Tax Code, as amended effective October 1, 1993, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include the Owner. The section further permits the purchase tax-free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is "necessary and essential for the performance of the contract" and "completely consumed at the job site." In addition, the section permits the purchase tax-free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if "the contract expressly requires the specific service to be provided or purchased by the person performing the contract" or "the service is integral to the performance of the contract."

1.18 CERTIFICATION OF FRANCHISE TAX STATUS: Respondents are advised that the successful Respondent will be required to submit certification of franchise tax status as required by State Law (Texas Tax Code Chapter 171). The contractor agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.

1.19 DELINQUENCY IN PAYING CHILD SUPPORT: Under Section 231.006, Texas Family Code, the vendor or applicant certifies that the individual or business entity named in this contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate.

1.20 STATE REGISTRATION OF ARCHITECTURAL FIRMS: Respondents are advised that the Texas Board of Architectural Examiners requires that any entity (including architects, landscape architects and interior designers) providing architectural services (including architects, landscape architects and interior designers) to the public must register with the Texas Board of Architectural Examiners. MAFRIGE FIELD HOUSE RENOVATION

RFQ No.: 758-20-06064

Notice To All Respondents:
The following is Addendum No. 2 to the Request for Qualifications (RFQ)
Addendum No. 1 was issued on October 16, 2019.
ESBD Posting No. 758-20-06064 was posted on October 10, 2019

Prepared By:
Peter Maass, Director of Capital Projects Administration
The Texas State University System
601 Colorado Street Austin, TX 78701 (512) 463-1808
peter.maass@tsus.edu
I. GENERAL:

A. Below are the questions that were presented along with answers to each in relation to this RFQ as of October 21, 2019, 12:00 p.m.:

1. **Question:** What is the engineer’s estimate?
   **Answer:** There is no engineer’s estimate. The Construction Cost Limitation is $11,000,000 as stated in Section 2.3.

2. **Question:** Do you require union to all of your projects or contracts?
   **Answer:** There is no requirement to use union labor. Construction contractors must adhere to Texas Prevailing Wage Law.

3. **Question:** I am producing a submittal for the RFQ 758-20-06064 Mafrige Field House Renovation and I have a question about the HSP. I have checked the RFQ document and I did not see the HSP percentage. What is the percentage for the HSP?
   **Answer:** The University’s goal for professional services is 25%. Note that if the Respondent is HUB certified, it does not preclude Respondent from submitting a HUB Plan.

4. **Question:** When will you send out the pre-submittal meeting sign in sheet?
   **Answer:** The sign-in sheet was provided in Addendum #1 and is posted on the Electronic State Business Daily website.

5. **Question:** Section 3.3.8 requests a list of higher education projects served by the proposed consultants. Will relevant professional sports venue projects be acceptable as well?
   **Answer:** Selection of representative projects is the responsibility of the Respondent based on their perceived relevance to the Mafrige Field House Renovation project.

6. **Question:** Is experience working with either the Texas State University System influential in the selection process?
   **Answer:** Selection shall be based on the Qualifications submitted in response to the criteria items listed in the RFQ document.

7. **Question:** Section 3.7.15 calls for Respondent to agree “to defend” Client and associated parties. This is a requirement that has not been included in other project RFQs from Texas State University. Please confirm the duty to defend is required.
   **Answer:** Confirmed.
8. **Question:** Section 3.7.6.4 – What are the insurance requirements that A/E is required to represent that it will maintain?

**Answer:** See excerpt below from the “Sample Architectural/Engineering Agreement for CM@R” outlining insurance requirements, limits of coverage, etc.

![Insurance Requirements Table]

9. **Question:** Section 2.4 states a Full program document will be available to selected proposers. Will any additional programming or building components be added prior to the selection of proposers?

**Answer:** No.

10. **Question:** Section 3.7.8 – Please clarify the definition of “Texas Bidder”. The referenced Section in the Texas Administrative Code merely defines “Bidder” as “[a]n individual or entity that submits a bid. The term includes anyone acting on behalf of the individual or other entity that submits a bid, such as agents, employees, and representatives.”

**Answer:** The cite to the Texas Administrative Code is inadequate. Please refer to Texas Government Code Section 2252.001(4).
11. **Question:** Section 3.7.15 – As we understand it, the indemnity obligation is broader than permissible under the Texas Local Government Code Section 271.904. Assuming this interpretation is correct, will a revised Execution of Offer be issued or is it preferred for A/E to revise the section in its response? Related, the requirements to “defend” the Owner has not been included in other recent Texas public university Execution of Offers, and is problematic as it is not typically covered by professional liability insurance. Will this requirement be struck?

**Answer:** The indemnity language in 3.7.15 is not broader than permitted by Local Government Code Section 271.904. The indemnity language in the RFQ requires the bidder to indemnify the state for claims arising from the bidder’s acts or the acts of the bidder’s agent(s) which is well within the limitations of Section 271.904. The requirement will, therefore, not be struck.

12. **Question:** What is the preferred method for revising the Execution of Offer as necessary to bring its terms in line with typical professional liability insurance coverage?

**Answer:** Revisions to the Execution of Offer are not permitted. Please refer to Section 4.1.6.

II. **Clarification:**

1. Contrary to information provided at the October 15, 2019 Mandatory Pre-submittal Conference, please **DO NOT** contact SHSU Athletics Department to schedule tours of the existing field house. A tour will be scheduled for short-listed respondents after November 1, 2019. If you have any questions in this regard, please do not hesitate to contact the Point of Contact listed under Section 1.6 of the RFQ.
