

## The Women and Minorities STEM Scholarship Program

**Apply Now! Accepting Applications through June 1<sup>st</sup>**

Atkins, a Member of the SNC-Lavalin Group is proud to carry on the tradition of assisting minority students in completing their higher education programs through the Women and Minority STEM Scholarship Program.

**Eligibility:** The program is available to female students and students of African American, Asian, Pacific Island, Native American, Native Alaskan or Hispanic descent. In addition, applicants must be:

- A US Citizen or Permanent Resident
- A Junior or Senior, full-time, day-time student at an accredited and approved college or university.
- Enrolled in contiguous fall and spring semesters, carrying a minimum of 12 credits and earning a minimum 3.0 GPA (on a 4.0 scale) each semester.
- Working towards a baccalaureate degree in Science, Technology, Engineering, or Math (STEM) with at least 60 credits of college work prior to the submission of the application.

Scholarships of **\$2,000** are awarded for the fall and spring semesters to qualified students. Upon meeting the program criteria, scholarship recipients are selected through a competitive process. A local selection committee composed of Atkins technical Leaders will choose the recipient.

Atkins is very excited to have the opportunity to provide this scholarship. Below is a link to our new application. Please share this with your peers and networks to ensure we reach as many students as possible.

**START YOUR APPLICATION**

All scholarship funds are paid directly toward the student's tuition. We hope that many of your students will also be excited about this opportunity and that they will submit their application for consideration.
