**Questions:** [studentsuccess@txstate.edu](mailto:studentsuccess@txstate.edu)

The Redefining Men - Male Retreat is for Texas State male students and for self-identified men to learn, network, and build solidarity. The retreat includes interactive workshops and etiquette lunch facilitated by Texas State faculty, staff and mentors on the topics of financial literacy, professional development, gender identity, and empowerment. These tools are resources to retain and graduate our male students.

Though business casual attire is recommended - participants are welcomed to attend as they are or encouraged to visit Career Services' Career Closet (LBJSC 5-7.1).

For special accommodations due to disability, contact Student Diversity and Inclusion at 512-245-2278 or [osdi@txstate.edu](mailto:osdi@txstate.edu) at least 72 hours prior to start of program.

**A program of the Male Initiative Committee (MIC).**

**The MIC is comprised of the following departments and offices:**
