Getting to Know Journals

TXST Mathematics Education Faculty

February 18, 2022
2:15–3:15PM
Zoom: https://txstate.zoom.us/j/97365274171

Abstract: This Friday’s Math Education Seminar will be an opportunity to learn about journals that publish mathematics education research. This will be a "potluck presentation," with several of our faculty sharing their experiences with different journals.

This is a great opportunity to learn about

- General advice on selecting a journal and submitting your work
- Finding a journal that is a good fit for your work
- Different journals’ review and publication criteria (and timelines, and traditions)
