This is not an official degree audit and it is subject to change. This chart is intended to be used by students who start out at Texas State. Please contact the College of Science and Engineering Undergraduate Advising Center for advising.

**Note:** In addition to major courses, students must also complete all core and minor requirements (if applicable) and any other requirements for graduation.

The chart details courses required for the Civil Engineering major, including prerequisites and recommended courses. It also includes notes on core courses and technical electives.

**Key:**
- Arrows indicate prerequisites.
- Arrows with dotted lines indicate co-requisites.
- Arrows with dashed lines are recommended prerequisites.
- Courses taught in specific semesters are indicated with codes:
  - F = Fall
  - S = Spring
  - Su = Summer Session I or II

Required WI courses:
- CE 4390, CE 4391, GEO 4356

Additional WI courses:
- Choose one CE Technical Elective:
  - CE 4100
  - CE 4200
  - CE 4300

Core courses must be completed:
- 6 credits Core 010
- 3 credits Core 020
- 6 credits Core 030
- 3 credits Core 040
- 3 credits Core 050
- 6 credits Core 060
- 6 credits Core 070
- 3 credits Core 080
- 6 credits Core 090
- Required WI courses: CE 4390, CE 4391, GEO 4356

US 1100 may be required for some students. Consult with an advisor regarding course choices.

Course offerings may vary. Earliest projected graduation date is Spring 2023.
