*Veronica Muzquiz Edwards, Ph.D.
Member, The Texas State University System Board of Regents*

*Friday, August 6, 2021
10:00 a.m. Ceremony*

Dr. Veronica Muzquiz Edwards is the Chief Executive Officer of InGenesis, Inc., one of the largest workforce solution firms in North America specializing in comprehensive health services. InGenesis, Inc. completed the acquisition of Kelly Healthcare Resources, a division of Kelly Services, Inc., and aligns its portfolio with the National Institute of Standards and Technology Malcolm Baldrige Performance Excellence Framework.

As chair of the International Organization for Standardization/Technical Committee 304 for Healthcare Organization Management, Dr. Edwards collaborates with national standards bodies and global liaison organizations. She serves as president of the Healthcare Standards Institute, LLC, an American National Standards Institute Accredited American Standards Developer, designing definitive standards and education resources to support continuity of care and improved patient outcomes. In addition to her responsibilities as managing editor of the international Journal of Healthcare Management Standards, Dr. Edwards was recently appointed to the San Antonio Branch board of directors of the Federal Reserve Bank of Dallas, promoting strong financial systems and a healthy economy. During the period 2015-2021, Dr. Edwards served as a member of The Texas State University System Board of Regents.

Dr. Edwards earned a Bachelor of Arts degree in Journalism from Texas State University and was recognized as a Distinguished Alumna. She earned a Master of Business Administration and Doctorate in Business Administration from the University of the Incarnate Word, where she was also named a Distinguished Alumna.

COMMENCEMENT AT TEXAS STATE

Welcome to Texas State University's Summer Commencement! In order to ensure your enjoyment and safety while visiting with us, please review the following information.

Live Streaming

For your convenience, the ceremonies will be streamed live on the commencement website at www.txstate.edu/commencement.

Processional and Graduate Recognition

Candidates will seat themselves on the arena floor prior to the ceremony in order by degree level. During Graduate Recognition, candidates will cross in front of the stage from right to left.

Commencement and Graduation

Commencement is a ceremony in which graduates are recognized for their academic achievements. The commencement program reflects the name and degree of each graduate as well as the honors designation based on data available at the time of publication. Therefore, this program should not be considered an official list of graduates.

Pride and Traditions

Commencement is an important rite of passage with many time-honored traditions. From the ceremonial mace to the gown worn by graduates, every detail of a commencement ceremony is steeped in pride and tradition. To read more about commencement traditions at Texas State, please visit the commencement website at www.txstate.edu/commencement/candidate-information/program/Pride-and-Traditions.html.

This commencement program is available for viewing online at www.txstate.edu/commencement/candidate-information/program.html.

Congratulations, graduates!

SPOTLIGHT ON RISING STARS

Texas State University initiated a new Master of Science degree with a major in Quantitative Finance and Economics in fall 2020. This program, which is offered through the Department of Finance and Economics in the Emmett and Miriam McCoy College of Business Administration, offers a unique curriculum that integrates both contemporary financial analysis and economic theories and quantitative applications in the financial analysis of firms and markets.

As the state of Texas, especially the Texas Innovation Corridor located between Austin and San Antonio, emerges to become one of the most thriving high-technology hubs in the nation, the demand for financial-related services is strong and projected to remain strong in the future. The role of advanced mathematical and statistical techniques in leveraging financial and economic data to gain a competitive edge has become increasingly important as these techniques have been refined and the quality, quantity, and access to large data sets has been improved. As a result, employers are now requiring a new set of advanced financial and economic data analysis skills in their employees.

The program in quantitative finance and economics will equip students to succeed in an increasingly technical and data-driven job market by developing complementary skills in economic theory, financial analysis, quantitative methods, and the application of all three to business solutions. The program has been designed for undergraduate economics, finance, business, or science, technology, engineering, and mathematics (STEM) related majors, or for professionals with an interest in acquiring additional analytical skills to enhance their ability to excel in today's marketplace.

This new Master of Science degree with a major in Quantitative Finance and Economics is illustrative of the role that Texas State has been playing in facilitating workforce development and promoting economic growth in the state of Texas.

Message from the Alumni Association President

Congratulations, Bobcats! It is my pleasure as your President of the Texas State University Alumni Association to congratulate you on your graduation and to welcome you to our ever-growing alumni family. As you embark on the next phase of your life, remember you are not alone – you are now one of over 209,000 Bobcats worldwide! The purpose of the Alumni Association is to increase the connection alumni have with Texas State and provide opportunities for alumni to connect to one another through their shared experiences in life and at our beautiful university. I encourage you to take advantage of the great programs and events the Alumni Association sponsors and organizes. To get started, here are some easy ways to get involved:

- Engage with other alumni through our online communities. Connect with the Bobcat Network on social media, sharing your story with us on Facebook, Instagram, or Twitter, and staying informed about what is happening at Texas State. Discover all that Texas State has to offer you not just now, but for a lifetime. For example, looking for a job? Texas State Career Services are available to alumni, too, and we have an active LinkedIn community!
- Connect with Texas State. Texas State University wouldn't be the establishment it is today without the alumni that help support our mission. The value of your degree is enhanced by the number of alumni who give back to the University, and there are many ways to do so. Volunteering with the Association or your college/department, serving as an advocate for Texas State by recruiting prospective Bobcats, or contributing to the university during Step Up for State (our annual day-of-giving), are all great ways to support the Texas State Community.
- Represent your Bobcat pride wherever your path takes you. Joining the Alumni Association is the perfect way to demonstrate your Bobcat Pride and Spirit, gain access to a variety of benefits, and create a lasting legacy. Your membership helps you remain a vital part of the Bobcat experience by powering alumni programming, strengthening the University and enhancing student life. Special rates are available exclusively for new graduates to help you begin your journey toward becoming a dedicated alumnus.
- Be Involved. Whether participating in a Texas State Alumni Network, attending alumni or athletic events, you can join thousands of alumni who work together to preserve the excellence of Texas State University.

You worked hard to earn your degree, and your alma mater is proud of you. Remember, our slogan of “Once a Bobcat, always a Bobcat,” means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be a part of your Alumni Association, demonstrate your Bobcat Pride, and get to know the Alumni Association today at alumni.txstate.edu. I wish you all the best on your post-graduation endeavors, and I hope to meet many of you at future alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University. Once a Bobcat, always a Bobcat!
